Mobilities in Remote Places Phillip Vannini, 2023-07-21 *Mobilities in Remote Places* explores the meanings challenges and opportunities of remoteness as practiced and experienced by those who live and work in some of the world's most remote communities As mobilities around the world proliferate in countless forms the meanings of remoteness undergo significant change Places once considered impossibly distant have appeared to become closer more accessible and less distinct from global centers of geopolitical power But instead of disappearing altogether configurations of remoteness evolve manifesting themselves through new possibilities new challenges and new insecurities Drawing from a variety of case studies from around the globe the contributors of the book examine remoteness as an outcome of evolving mobility constellations Rather than defining remoteness as an absolute or objective time distance condition the book shows how remoteness is a practice experience and representation that is situated relational and emergent This collection of original and thought provoking chapters will be of interest to students and researchers in the humanities and social sciences with an interest in mobilities place and human geography

Compensation Beverly J. DeMarr, Vicki Fairbanks Taylor, Claudia J. Ferrante, 2024-12-18 *Compensation A Balanced Approach* covers compensation systems and practices through theory and application Each chapter looks at compensation from both the employer and employee perspective giving students a more holistic understanding of the role total rewards play in an organization Authors Beverly J DeMarr Vicki Fairbanks Taylor and Claudia J Ferrante help students develop the ability to think critically and ethically about compensation decisions and their effects on both employers and employees
