## **Tori Amos Piece By Piece:**

Tori Amos: Piece by Piece Tori Amos, Ann Powers, 2008-12-10 An intimate eye opening look inside the life of one of the most unique and adored performers of contemporary rock music. From her critically acclaimed 1992 debut Little Earthquakes to the recent hit Scarlet's Walk, Tori Amos has been a formidable force in contemporary music with one of the most dedicated fan bases in the industry. In *Tori Amos Piece by Piece*, the singer herself takes readers beyond the mere facts, explaining the specifics of her creative process: how her songs go from ideas and melodies to recordings and passionately performed concert pieces. Written with acclaimed music journalist Ann Powers, *Tori Amos Piece by Piece* is a firsthand account of the most intricate and intimate details of Amos's life, as both a private individual and a very public performing musician. In passionate and informative prose, Amos explains how her songs come to her and how she records and then performs them for audiences everywhere, all the while connecting with listeners across the world and maintaining her own family life, which includes raising a young daughter. But it is also much more: a verbal collage made by two strong female voices and the voices of those closest to Amos that calls upon genealogy, myth, and folklore to express Amos's unique and fascinating personal history. In short, we see the pieces that make up *as Amos herself puts it* the woman we call Tori. With photos taken especially for this book by the photographer Loren Haynes, *Tori Amos Piece by Piece* is a rare treat for both Tori listeners and newcomers alike: a look into the heart and mind of an extraordinary musician.

Resistance Tori Amos, 2020-05-05 NEW YORK TIMES  
BESTSELLER A timely and passionate call to action for engaging with our current political moment from the Grammy-nominated and multiplatinum singer-songwriter and New York Times bestselling author Tori Amos. Since the release of her first career-defining solo album *Little Earthquakes*, Tori Amos has been one of the music industry's most enduring and ingenious artists. From her unnerving depiction of sexual assault in *Me and a Gun* to her post-9/11 album *Scarlet's Walk* to 2017's *Native Invader*, her work has never shied away from intermingling the personal with the political. From her time as a teenager playing hotel bars in Washington DC to the politically powerful to the subsequent three decades of her formidable music career, Amos explains how she managed to create meaningful, politically resonant work against patriarchal power structures and how her proud declarations of feminism and her fight for the marginalized always proved to be her guiding light. She teaches us to engage with intention in this tumultuous global climate and speaks directly to supporters of MeToo and Time's Up, as well as young people fighting for their rights and visibility in the world. Filled with compassionate guidance and actionable advice and using some of the most powerful political songs in Amos's canon, *Resistance* is for anyone determined to steer the world back in the right direction.

**Sing Us a Song, Piano Woman** Adrienne Trier-Bieniek, 2013-06-06 *Sing Us a Song: Piano Woman* Female fans and the music of Tori Amos explores the many layered relationships female fans build with feminist musicians in general and with Tori Amos in particular.
