THE ROMAN SALUTE - Martin M. Winkler book confirms Professor Dr. Rex Curry's Discoveries ARE CORRECT Ian Tinny, Jairely Tripleday, Daysi Caridad, Jaisely Thimblorig, Martin M Winkler's research in The Roman Salute verifies Historian Dr Rex Curry's discoveries including 1 Adolf Hitler and Benito Mussolini borrowed their infamous salutes from the USA's Francis Bellamy The socialist Bellamy from Rome New York was the origin of the Roman Salute used later by the socialist Adolf Hitler and by the long time socialist leader Benito Mussolini which Mussolini learned when he was a socialist too 2 The Roman Salute phrase was inspired by Rome New York the hometown of Francis Bellamy author of the USA's Pledge of Allegiance and a Roman from New York who attended Rome Free Academy RFA All New York Romans were proud to hear and read of his Youth's Companion success and his lengthy Pledge of

Allegiance presentation in 1892 Soon RFA was doing Bellamy's Roman salute daily 3 In 1898 New York mandated Bellamy's Roman Salute with the pledge In 1899 the Broadway play Ben Hur opened and used Bellamy's Roman salute solidifying the Bellamy Salute as the Roman Salute The Ben Hur play also exported it abroad to Germany and Italy and everywhere 4 New York City became Grand Central Station for the distribution of America's Nazi salute worldwide Pride swelled for New York's Romans and all New Yorkers and the USA As the decades passed that pride evaporated It evolved into today's deranged lying to hide American Heritage 5 The socialist Bellamy's 1892 American Nazi salute caused the painting Oath of the Horatii to be referred to as a Roman Salute beginning in 2003 and thereafter see the etymological genealogy and derivation that exposes deranged lying by modern socialists The USA's population was 134 million in 1942 when Congress changed the Roman Bellamy's Socialist Salute Almost all those millions including armed forces stationed abroad for years who helped spread Bellamy's salute were familiar with the Roman Bellamy's Socialist Salute and they knew that it was the origin of Germany's socialist salute and Italy's socialist salute adopted by the long time socialist leader Mussolini who learned the American salute when he was a socialist No Americans believed it came from a French painting The circumstances show that Congress changed the gesture because Congress knew the Roman Bellamy's Socialist Salute was the origin of Germany's socialist salute and Italy's socialist salute Many Americans ignored Congress meddling and proudly retained their salute saying That's our salute and We had it first and violent socialists abroad should stop stealing it
