The Descendant Of Destiny:

The Descendant of Destiny Marion Hill,2017-02-21 Do you have to believe in destiny to fulfill your own Diondray Azur never questioned his regular life But everything changes when he learns that the true history of his family and his world isn't what he was taught When he hears of the Book of Kammbi and its ancient prophecy he sets out on a quest for the truth Diondray doubts the prophecy which says it can only be fulfilled by the descendant of a great leader As the challenges on his journey mount all signs point to him as the one with a prophetic destiny He'll stop at nothing for the truth but what will happen when he finds it

The Descendants Philip Bell,2017-11-29 The Spear of Destiny Legend says that whoever controls the spear controls the entire world For centuries people have been after the artifact for its power Now the Illuminati or The Dark Ones want the Spear of Destiny for their ultimate goal of ruling the world with Lucifer as their leader In order to prevent this from happening God calls upon four unlikely heroes who happen to be the descendants of his chosen throughout time to stop the seven seals from breaking and starting the apocalypse Can they stop them before it's too late

The Creator's Descendants Allici Edragal,2021-03-25 The continent of Eberon was blessed by the deities in a faraway past where humans were born and the first civilizations were built Though the so called Creators had long left that world traces of their magic remained and two powerful Descendants lived among the deities creation A conflict between the Descendants half human half gods traced back the beginning of history until the present times In each generation two males were born always as enemies and fighting till death One of them wanted power creating a World Government to rule over humans The other sought balance and freedom for the people leading armies of rebels against the authorities Darkness cursed the continent of Eberon and the islands surrounding it Until hope finally arose Imprisoned since her childhood the 15 years old ALTHEA discovers the meaning of freedom when 17 years old DOMINIC and 20 years old JOSEPH enter her path leading her to a journey where ALTHEA will uncover her origins and understand the mysteries behind her overwhelming power The young girl soon discovers that she is a break of a cycle that lasted thousands of years and that her god like

abilities are the hope of a new world During her journey Althea undergoes hardship and adverse conditions In such a harsh environment she must search for inner strength to overcome a lengthy series of trials against powerful government forces and destructive enemies Her first mission is to unite the people against their rulers while adjusting herself to freedom gradually amid revealing dreams and the buoyancy of comrades Legends prophecy a vast power struggle and supernatural elements provide a unique otherworldly setting Althea wrestles to triumph within the inherent strife around her gaining a sense of her own potential As the stakes increase we watch Althea grow acquire new abilities and fulfill her role with the help of resourceful supporters through training and enemy encounters She then struggles to accomplish her first mission before facing the real enemy ORION the Creator s Descendant *Understanding the 'Imago Dei'* Fr Dominic Robinson,2013-06-28

As theologians across confessional divides try to say something significant about human dignity in our contemporary society there is fresh interest in the ancient Christian doctrine that the human being is created in the imago Dei Theology is grounding responsibility for others and for the world around us in this common vision that the human being s infinite horizon lies in a divine calling and destiny Robinson examines the imago Dei debate through three giants of twentieth century theology Karl Barth Hans Urs von Balthasar and Jürgen Moltmann This is placed against a survey of the principle developments and distinctions relating to the doctrine in the history of Christian thought which in itself will be valuable for all students of Theology A fresh analysis of ecumenical contributions places the development of the doctrine in the context of the ongoing process of ecumenical dialogue on the dignity of the human person with special reference to this theme in the first encyclical of Pope Benedict XVI *Deus Caritas Est* Whilst imago Dei is the focus of this book Robinson invites the reader to see its relevance to theology as a whole on a specifically ecumenical canvas and relates directly to more general areas of theological anthropology grace salvation and the relationship between God and the world **The Narrow Gate**

D'Antoinette Guy MTS,2017-03-28 More and more Christians are embracing the concept that they have been created for a divine purpose Many are proclaiming their sense of call to some form of ministry or business for the building of Gods Kingdom However one question lingers If God has created every individual with purpose graced each with gifts and ordained vision why are we not seeing the Kingdom of God manifest in healthy powerful mature and abundant fruit bearing outcomes Well Jesus gave the answer narrow is the gate and difficult is the way that leads to life and there are few who find it Matthew 7 14 NIV The Narrow Gate is a work suited to both the growing believer and those who lead Once a new believer has been discipled this work provides a detailed explanation and encourages the believer to begin the personal work of transformation in preparation for healthy and meaningful service For those who serve in leadership this work will help you discover a means to identify and transform growth areas into solid qualities of excellence with which to improve mentoring and leadership skills Everyone can utilize this work to assess personal wholeness and promote effective kingdom building The Narrow Gate provides a comprehensive guide and exploration into the internal work of transformation Believers are invited to enter
