**About That Man** Sherryl Woods, 2017-02-28 1 New York Times bestselling author Sherryl Woods returns readers to the beloved Southern town of Trinity Harbor with a story of second chances and finding love in unexpected places. How could the sensible daughter of Trinity Harbor's self proclaimed patriarch have taken in the boy caught hot wiring her car? Whether the boy is a modern day Huck Finn or not Trinity Harbor is in an uproar. But for Daisy Spencer guiding the orphaned ten year old is easy an escape from her own tragic past. She can ignore the town's nay saying. The only real obstacle is that man. That man is the boy's uncle Walker Ames a tough DC cop who sees his unexpected nephew as his last chance at redemption. Soon he's commuting to the charming fishbowl of a town where everyone assumes he's seduced Daisy their best Sunday school teacher. But to Walker Daisy is a disconcerting mix of charming innocence and smart mouthed excitement in a town that's not as sleepy as it looks.

**The Confession** Jo Spain, 2018-09-11 You find out who did it on the very first page. On the last page you'll find out why in this expertly plotted enthralling J P Delaney psychological suspense novel from an internationally bestselling author. Late one night a man walks into the luxurious home of disgraced banker Harry McNamara and his wife Julie. And when the man launches an unspeakably brutal attack on Harry a horror struck Julie frozen by fear watches her husband die. Just one hour later the attacker J P Carney hands himself into the police and confesses to beating Harry to death. Except he also claims that the assault was not premeditated and that he didn't know the identity of his victim. With a man as notorious as Harry McNamara who was just found innocent in a highly sensationalized fraud trial the detectives cannot help but wonder. Was this really a random act of violence? Was Julie really powerless to stop JP? When Harry's many sins are unveiled to include corruption greed and betrayal nothing is for sure. This gripping psychological thriller will have you questioning who of Harry Julie and JP is really the guilty one. And is Carney's surrender driven by a guilty conscience or is his confession a calculated move in a deadly game. Brilliant and ice pick sharp **The Confession** is perfect for fans of B A Paris and Fiona Barton.
