Workshop Statistics Discovery With Data:

Workshop Statistics Allan J. Rossman, Beth L. Chance, 2011-10-25 Allan Rossman's 4th Edition of *Workshop Statistics Discovery with Data* is enhanced from previous issues with more focus and emphasis on collaborative learning. It further requires student observation and integrates technology for gathering, recording, and synthesizing data. The text offers more flexibility in selecting technology tools for classrooms, primarily using technologies other than graphing calculators or Fathom Dynamic Data software. Furthermore, it presents more standards for teaching statistics in an innovative, investigative, and accessible way, as well as provides in-depth guidance and resources to support active learning of statistics and includes updated real data sets with everyday applications in order to promote statistical literacy.

Workshop Statistics: Allan J. Rossman, Beth L. Chance, 2013-12-01 Shorn of all subtlety and led naked out of the protective fold of educational research literature, there comes a sheepish little fact: lectures don't work nearly as well as many of us would like to think. George Cobb 1992. This book contains activities that guide students to discover statistical concepts, explore statistical principles, and apply statistical techniques. Students work toward these goals through the analysis of genuine data and through interaction with one another, with their instructor, and with technology. Providing a one-semester introduction to fundamental ideas of statistics for college and advanced high school students, *Workshop Statistics* is designed for courses that employ an interactive learning environment by replacing lectures with hands-on activities. The text contains enough expository material to stand alone, but it can also be used to supplement a more traditional textbook. Some distinguishing features of *Workshop Statistics* are its emphases on active learning, conceptual

understanding genuine data and the use of technology The following sections of this preface elaborate on each of these aspects and also describe the unusual organizational structure of this text Workshop Statistics: Discovery with Data 4e + WileyPLUS Registration Card Allan J.
