### **Alchemy of Christ:**

**The Book of Revelations** LaRoya,2017-07-10 It has been a long tradition among the Hebrews to use the pesher dream interpretation code which had encoded messages regarding two levels of information written within a story One level was written as an allegory that told a message about morality The other level was written about esoteric instruction and political events which mirrored inner growth Each of the 22 chapters are inspired by the 22 Hebrew alphabet letters In this book The Alchemy of Christ The Book of Revelation I give a commentary on the Book of Revelations Apocalypse means revealing and it is the revealing of the Christ within The final battle of Armageddon takes place within us This is an inner war that will transform us and bring us back to recovery to the state of Christ Consciousness The political struggles within the world mirror the transformation of the individual Just as we recover the earth as a whole will recover as well leading to an enlightened Civilization

*The Return of the Serpents of Wisdom* Mark Amaru Pinkham,2011-03-10 According to ancient records the patriarchs and founders of the early civilizations in Egypt India China Peru Mesopotamia Britain and the Americas were colonized by the Serpents of Wisdom spiritual masters associated with the serpent who arrived in these lands after abandoning their beloved homelands and crossing great seas While bearing names denoting snake or dragon such as Naga Lung Djedhi Amaru Quetzalcoatl Adder etc these Serpents of Wisdom oversaw the construction of magnificent civilizations within which they and their descendants served as the priest kings and as the enlightened heads of mystery school traditions The Return of the Serpents of Wisdom recounts the history of these Serpents where they came from why they came the secret wisdom they disseminated and why they are returning now

The Open Society in Theory and Practice D. Germino,K. van Beijme,2012-12-06 From June 28 until July 4 1972 a group of scholars all of them academics committed to the critical study of man and society which may be called political theory met at The Rockefeller Foundation s VillaSerbelloni in Bellagio Italy to present papers on and discuss the subject of The Open Society These papers as revised are published here most of them for the first time They reflect no consensus of view nor were they intended to do so That such a consensus did not emerge from the conference is not in our judgment a cause for regret it may rather be regarded as a

manifestation of a healthy and desirable plurality of approaches which itself indirectly tells us something important about the nature of the open society All the papers deal in different contexts and from a variety of philosophical and theoretical perspectives with the interrelated themes of openness and the open society Some of the panelists are skeptical of the capacity of modern industrial or post industrial society with its heavy emphasis upon technological rationality to foster authentic openness under currently prevailing assumptions about man and nature *Coming Into Being* William Irwin
