World Of Fighting Dogs:

World of Fighting Dogs Carl Semencic,1984 The purpose of this book is to introduce the reader to the world of fighting dogs So that the intention of this introduction will not be misunderstood I would like to state very firmly at the onset that this book has not been written as a guide for those involved in the illegal and inhumane activity of pitting innocent animals against each other On the contrary this book has been written to introduce the unquestionably humane average dog enthusiast to an entire category of purebred dogs that offer a great deal to those in search of wonderful companions and home guardians *The World of Fighting Dogs* Carl Semencic,2016-10-19 Carl Semencic s classic book about these unique dog breeds is finally back in print with a new preface by the author Whether you look upon dogfighting as a sport or as an exercise in pure barbarity this book offers a wealth of valuable information It covers the history of dogfighting in general and also provides in depth studies of the individual fighting breeds Fascinating and factual it s also loaded with good photos and it includes photos of some of the rarest dog breeds in the world Individual breeds are covered thoroughly with attention to their history and where applicable their standards of appearance and behavior And although there is no attempt made to rank the various breeds according to their fighting abilities interesting comparisons and contrasts of style are presented

THIRTY YEARS WITH FIGHTING DOGS CARLOS. GEEL,2025 *Gladiator Dogs* Carl Semencic,1998 From the author of *The World of Fighting Dogs* and *Pit Bulls and Tenacious Guard Dogs* comes his third and most impressive book to date *Gladiator Dogs* Bringing to life thirteen breeds originally used as fighting dogs Dr Carl Semencic illustrates the history characteristics and abilities of the world s toughest canines and shares hundreds of great color photographs of top dogs sent by owners around the globe The author does not fight dogs and does not condone dogfighting but he is fascinated with the qualities and instincts of these fearless gladiator breeds *Gladiator Dogs* is a valuable educational book that represents years of experience and research on these remarkable historical dogs *Illustrated World* ,1921 **Dog World** Alfred

Gingold,2005-02-08 I fuss over George when he s sick and I fuss over him when he s well I send him to a play group several days a week to give him intraspecies quality time I will discuss the state of his bowels with anyone who cares to engage me on the subject Just when my days of browsing endless rows of overpriced kid s toys are over I am browsing endless rows of overpriced doggie toys And sometimes I buy them particularly if they have a good squeak Like many neophyte dog owners I ve gone a little nutty For example one of my great pleasures in life has always been people watching I ve spent innumerable hours walking happily around the city scoping the passing parade Now when I walk down the street my gaze rarely rises above knee level I m looking at dogs not people Who knew there were so many around Familiarity has not bred contempt It s bred affection indulgence and boundless curiosity This book is the story of a journey into dog personhood I would like to say it is a journey that has left me older but kinder wiser and with enhanced respect for all living creatures in the great chain of being It s certainly left me older and if not wiser at least more knowledgeable about this new society of which I ve become a

part from Dog World hilarious excursion through the studied obsessive colorful demanding occasionally lunatic world of contemporary dog ownership In the fall of 2001 Alfred Gingold found himself succumbing to the undeniably endearing behavior of his family's new Norfolk Terrier George and becoming a member of what he calls Dog Nation the 43 million dog owners and their 55 million dogs living in America today In a matter of weeks Gingold had become a firsthand ethnographer of the passions read idiosyncrasies that define dog owners everywhere It was literally a case of puppy love The result of Gingold's shrewd observation is Dog World which is structured around the loose chronology of dog ownership choosing and finding a dog feeding walking and cleaning up after a dog the literal and emotional obstacle course that is training a dog and on to the larger cultural realms of dog racing and of course dog kitsch and memorabilia But the real delight of Dog World is in Alfred Gingold's narrative excursions through the canine universe whereby he reports and occasionally pontificates on topics such as the untold history of dogwalking how dog food came to be the urban art of scooping poop and an analysis of the relationships great historical figures have had with their dogs Like Bill Bryson or Calvin Trillin Alfred Gingold brings a particularly wry and comic perspective to the world And whether one is a dog lover or a dog agnostic Dog World will be a tremendously entertaining journey into mankind's canine love affair **The Dog Fancier** Eugene Glass,1913 **Dog**
