Schmidt leaning into Sidewalk Labs pitch for the long forsaken property with Doctoroff as the urban planning company s CEO Sidewalk s bid crushed the competition But as soon as the bid was won cracks appeared in the partnership between Doctoroff s team and Waterfront Toronto the government sponsored organization behind the contest Hundreds more acres of undeveloped former port lands kept creeping into Sidewalk s plans and questions were emerging about how much the public would benefit from the company s vision for a high tech neighbourhood and the data it could harvest from residents The ensuing fight to reel in the power of Sidewalk Labs became a crucible moment for the worldwide battle for digital rights and against the extension of a digital behemoth s corporate might into the physical world In the tradition of boardroom dramas like Bad Blood and Super Pumped Sideways signals to the world that all may not be lost in the effort to contain the rapidly growing power of Big Tech

community of Fall Creek The historical novel spans parts of two centuries as Carrie Orbison returns to her roots to retrace her past to find what this unique village said about life When intolerance and cruelty surfaced to mar the idyllic life of Fall Creek Carrie left disappointed Moving far away from it all she was in no hurry to return Years later lured by the call of her mountains she returns to walk down familiar roads visit her family and friends and listen to her grandmother s stories Carrie s Appalachian heritage comes to life in the stories of her ancestors and other first families on the plateau who not only experienced the days of the stagecoach toll gates the Great Depression and war but were also pulled into a larger modern world as they looked toward the highway and the railroad envisioning what might lie beyond As Carrie pursues her understanding of people and events in the community through the perspective of time and distance the ignorance and disrespect that led to tragedy cannot be suppressed but must be confronted along with the joy and sadness of her memories
