The Cusp Of Something:

The World on Edge Edward S. Casey, 2017-07-12 From one of continental philosophy's most distinctive voices comes a creative contribution to spatial studies, environmental philosophy, and phenomenology. Edward S. Casey identifies how important edges are to us not only in terms of how we perceive our world but in our cognitive, artistic, and sociopolitical attentions to it. We live in a world that is constantly on edge, yet edges as such are rarely explored. Casey systematically describes the major and minor edges that configure the human and other-than-human realms, including our everyday experience. He also explores edges in high-stakes situations such as those that emerge in natural disasters, moments of political and economic upheaval, and encroaching climate change. Casey's work enables a more lucid understanding of the edge world that is a necessary part of living in a shared global environment. *There's Something that the Kop Wants You to Know* Keith Salmon, 2025-05-19 This is a story of life, love, and loss, and of finding a sense of belonging in the ever-changing world of modern football. A must-read dad-and-lad football book for fans everywhere, especially Liverpool FC supporters. After losing his own father, Keith is joined by his son Charlie, and together they watch the team they love, Liverpool, return to glory at the top of the English and European game. A book of laughter and tears, *There's Something the Kop Wants You to Know* features one man's remarkable journey encompassing the greatest dad-and-lad trips a football-mad youngster could ever wish for. A fan's eye view of the magnificent days of Jürgen Klopp, including three Champions League finals with eventful journeys to Madrid and Paris, and possibly the greatest trip of them all to Kiev. Moments of heartbreak with the loss of a father and the effect of the Hillsborough disaster on Keith's life over 35 years, and the impact of the ongoing fight for justice. Going to the match with your dad is a tradition that resonates with supporters everywhere. This is the ultimate dad-and-lad football book, and will help bring back those nostalgic memories from your own past. *Something Rich and Strange* Sue Hosking, Susan Hosking, 2009 Beaches are places of contact, play, confrontation, and friction. First comers always arrive on a beach. After Europeans moved into the Antipodes, the coast was the first frontier to be defined. Flinders' circumnavigation in 1802 had mapped Australia, revealing the land as girt by sea, as the national anthem continues to remind us. All kinds of ideas about the coast, beaches, sea changes, holiday places, and islands swirl and eddy in this unique collection of writing. *A Conspiracy of Whispers* Ada Harper, 2018-01-15 Desires and loyalties clash when a sensual assassin and an intriguing enemy agent must fight together in this exciting debut by Ada Harper. For Olivia Shaw, the danger of her assignments as a deadly Whisper agent is matched only by that of her hidden status. Liv is one of the caricae, extremely rare women capable of bearing children and therefore controlled by the Syndicate's government. When her handler sends her into the Quillian Empire, her mission is complicated by stumbling upon a kidnapping in progress. Liv is drawn deep into political upheaval when her hostage is revealed to be the infamous Red Wolf, Galen De Corvus, brother of the Quillian Empress. Worse yet, he is an altus, more sensitive than most to the pheromones of caricae. If he realizes what she is, he could expose her secret to either

government and doom her to a life as breeding stock Quillian nobleman turned operative Galen never planned to involve himself with a citizen of the cold cruel Syn but Olivia entices him more than she should As they work together to protect his royal sister from a violent coup the passionate bond between them proves to be more than mere biology And Liv must decide if that bond is worth dropping her guard for both an enemy and an altus This book is approximately 122 000 words One click with confidence This title is part of the Carina Press Romance Promise all the romance you re looking for with an HEA HFN It s a promise Carina Press acknowledges the editorial services of Deborah Nemeth *AdReview* Tony Koenderman,2006
