## **The Dejected Souls Cure:**

The Dejected Soul's Cure Christopher Love,2001 One of the things that is common to true believers is a sense of unworthiness because of sin This may cause us to doubt both ourselves and God s love for us Here is an insightful handling of these matters by one of the most pastoral of the Puritans Love s conclusion is that the great enemy of our souls will do all he can to take our eyes off of our Savior even if that means an over preoccupation with sin and self This book gives Scriptural guidelines to recover a sense of God s love to give comfort to those who are convicted and to convict those who may be falsely comforted This is important reading for anyone who longs to be more sanctified and satisfied There is also another work by Christopher Love at the end of this book called **A Treatise of Angels**

**Seasons of the Soul** Bruce Demarest,2009-05-22 Spiritual formation professor and New Testament scholar Bruce Demarest helps us grasp the whole picture of the journey we re on with Christ that we might live our days with intention and keep moving toward maturity in faith Using Scripture writings from our rich spiritual tradition and stories of present day believers walking the same path of faith Demarest leads us through the three main stages of the journey to become more like Christ

**The Treasury of David** Spurgeon,1873 *Ravished by Beauty* Belden C. Lane,2011-04-21 In this novel exploration of Reformed spirituality Belden C Lane uncovers a green theology that celebrates a community of jubilant creatures of all languages and species Lane reveals an ecologically sensitive Calvin who spoke of himself as ravished by the earth s beauty He speaks of Puritans who fostered a lusty spirituality in which Christ figured as a lover who encouraged meditation on the wonders of creation He presents a Jonathan Edwards who urged a sensuous enjoyment of God s beauty as the only real way of knowing God Lane argues for the double irony of Reformed spirituality showing that Calvinists who often seem prudish and proper are in fact a people of passionate desire Similarly Reformed Christians who appear totally focused on divine transcendence turn out at times to be closet nature mystics exulting in God s glory everywhere Lane also demonstrates however that a spirituality of desire can be derailed ending in sexual excess and pantheism Ecologically holy longing can be redirected from a contemplation of God s splendor in the earth s beauty to a craving for land itself resulting in disastrous misuse of its resources Between the major chapters of the book are engaging personal essays drawn from the author s own love of nature as a Reformed Christian and providing a thoughtful discussion of contemporary issues of species diversity and the honoring of an earth community
