The Eurosystem's Monetary Policy at 25 (1999-2023) Christos V. Gortsos,2024-06-28 This study completed in April 2024 aims at comprehensively presenting and thoroughly analysing the legal framework governing the definition and implementation of the single monetary policy in the euro area during the first twenty five years of the Eurosystem's operation. In this historical context the focus is on the legal aspects pertaining to the definition and implementation of this single monetary policy since the establishment of the Eurosystem on 1 January 1999 amidst and in response to several financial and non financial crises which erupted in the course of that period and in particular since 2007 which marked the onset of the Global Financial Crisis. The ultimate goal is to highlight the significant contribution and the importance of the legal framework in shaping the single monetary policy of the Eurosystem in normal times and at times of stress. The study is structured in two key chapters entitled The Single Monetary Policy in the Euro Area Definition and Legal Framework and Implementation of the Single Monetary Policy in the Euro Area in Periods of Crises. The Epilogue Chapter 3 entitled Considerations on the Impact of Monetary Policy Decisions on Financial Stability in the Euro Area discusses the interaction between monetary policy and financial stability as well as the latest until April 2024 financial stability conditions in the euro area through the lens of international and EU official reports taking also into account the spring 2023 banking turmoil.

Secondly this work elaborates on what tools are utilized by the ECB to pursue the main goal which is price stability of the euro area. Furthermore a data analysis is carried out in this work which demonstrates changes in the important figures key interest rate assets liabilities during a boom 2006 as well as during recession 2007 on. Since every crisis even ongoing as it is currently provides lessons to be learnt from this work points out shortcomings of the ECB's monetary policy as well.
