Mason, 2009-05-25

Theatre and Religion on Krishna's Stage examines the history and form of India's r s lila folk theatre and discusses how this theatre functions as a mechanism of worship and spirituality among Krishna devotees in India From analyses of performances and conversations with performers audience and local scholars Mason argues that r s lila actors and audience alike actively assume roles that locate them together in the spiritual reality that the play represents Correlating Krishna devotion and theories of religious experience this book suggests that the emotional experience of theatrical fiction may arise from the propensity of audiences to play out roles of their own through which they share a performance's reality

Seeing Religion Roman Williams, 2015-05-13 The potential of visual research methods in the sociology of religion is vast but largely untapped This comes as a surprise however given the visual symbolic and material nature of religion and spirituality Evidence of religious faith and practice is materially present in everything from clothing and jewelry to artifacts found in people's homes and workplaces Not only is religion's symbolic and material presence palpable throughout society it also informs attitudes beliefs and behaviors of countless people worldwide Words and numbers approaches to social research however sometimes miss important dimensions of religion and spirituality in the contemporary world *Seeing Religion* is an invitation to a visual sociology of religion Contributors draw from their current research to discuss the application of visual methods to the study of religion and spirituality Each chapter stimulates the sociological imagination through examples of research techniques analytical approaches and methodological concerns **Up Where You Belong** Tommy Tenney, 2002

This companion devotional to God's Eye View leads readers through a daily exploration of how worship alters perspective allowing them to see things as God does **#OrganicJesus** Scott Douglas, 2016-06-08 If Generation Next is supposed to question everything and trust no one where does faith fit in Consumers demand that their food be pesticide free their cosmetics and shampoo be paraben free and that everything possible from clothes to toilet paper be made without additives or chemicals But there's nothing that has more additives to the original product than Christianity How do we get back to the 100% organic version of Jesus In his personal search for the organic Jesus Scott Douglas goes on a funny thought provoking romp through the foundations of belief Christianity he says has become a simulacrum a bloated overprocessed image that lacks the true substance of the real thing His search for the original took him far and wide through historical Christ figures

urban legends odd facts about the faith freakishly flawed Christians and the Internet Using relatable contemporary anecdotes and unlikely wisdom concealed within humor Douglas reveals a way back to the authentic essence of following Christ By including wiki breaks social media callouts quizzes charts and more OrganicJesus is ideal for readers raised on social media who can't step out of their house without tweeting about it or eat lunch without posting on Instagram Douglas is careful to be as non biased as possible writing not for any particular agenda political or otherwise but instead encouraging readers to seek their own path for spiritual renewal The result is a candid look at modern Christianity that will challenge savvy young Christians to put as much effort into discovering sustainable religion as they do in their pursuit of an organic marketplace

And My Soul Will Be Healed John Joseph Schauer, 2025-01-15 Opera a lavish form of musical entertainment that for over 400 years has been seen by different observers as intimidating lofty ridiculous mysterious glamorous gripping boring and otherworldly It is also the most gender fluid of the arts featuring in its earliest days male singers who had been castrated as boys to preserve their high voices and continuing to the present when women still don trousers to portray men on stage To Jeremy Blatz it is a fascinating distraction from an unfulfilled life marred by the frustrations of an unrewarding job as a second string music critic and a marriage that seems to be dissolving before his eyes But it is not until his sleep is routinely interrupted by asthma attacks that he finally seeks treatment from a hypnotherapist who to Jeremy's delight also has connections to the backstage world of the local opera company But what begins as an intriguing artistic exploration becomes a sinister obsession as Jeremy witnesses a series of acclaimed sopranos suffer bizarrely grotesque deaths after their association with the opera world's greatest male sex symbol the Egyptian American bass baritone Ramzi Matthews It is through the intercession of his hypnotherapist that Jeremy becomes friends with Ramzi even as his own hypnosis sessions become infused with shocking trance induced visions of Satanic rituals sexual abuse and human sacrifice all colored by the residual religious guilt that engulfs Jeremy from his childhood Catholic upbringing Jeremy eventually becomes determined to save his favorite singer a uniquely gifted soprano named Vanessa Williams who coincidentally is also undergoing hypnosis treatments from the same therapist from meeting a similarly morbid fate by using his investigative skills to unravel the intricately woven threads of her less fortunate colleagues lives The shocking truth he ultimately uncovers changes his life forever

Organic Christian Scott Douglas, Faith is a dish best served organically You eat your food organically do you live your faith in the same organic way Join author Scott Douglas as he takes you on a journey to understand what it means to follow Christ and what it means to have a personal relationship with Jesus You'll be surprised by how much you'll laugh growing in faith Inside you'll learn about why bad things could possibly happen to good people how God wants us to pray what it means to love our enemies does God want you to be crazy and so much more Whether you are a new Christian old Christian or not even sure if you believe in Christianity this book will have you rethink your belief and help you grow in your relationship with God The agenda here isn't to preach you a certain kind of Christianity

rather to help you know God deeper how that looks for you will probably be different from others who read the book
