[illegible]

**Mindful Morning Routine**

*Kindergarten Morning Routine*

### *My Mourning Routine*

Living with cancer doesn't mean mourning. Mourning usually means mourning the loss of someone who has died. But when you have cancer, you are mourning the loss of your body, your life, your future, your ability to do things you love, your ability to live the way you want to live.

It is okay to feel grief. Grief is a natural response to loss. But it is also a warning sign. It is a sign that you are not taking care of yourself. It is a sign that you are not taking care of your body. It is a sign that you are not taking care of your mind. It is a sign that you are not taking care of your spirit.

The routine that I developed over the years is a way of taking care of myself in a gentle, loving, and effective way. It is a routine that I have found to be helpful in many ways. It is a routine that I have found to be helpful in many ways. It is a routine that I have found to be helpful in many ways.

These are some of the steps that I take as a part of my routine of mourning and grief. I hope that they will be helpful to you.
