**Shit Adults Never Taught Us** Natasha Sattler, 2021-04-16

A SNAPSHOT REVIEW OF THE THINGS YOU DIDN'T LEARN IN SCHOOL IN QUICK HILARIOUS CHAPTERS

Wouldn't it be awesome if life had a manual? Not for your daily how-tos like cooking or ironing, but for when the real shit pops up. The money shit we have no idea how to navigate like negotiating a raise or buying a car. The relationship shit that slaps us in the face as we turn into full-fledged adults like surviving a gut-wrenching breakup and having the courage to fall in love. The mind fucks that sneak into our brains after puberty like a ninja and set up camps of anxiety, loneliness, and regret. The life shit that somehow was completely ignored throughout more than a decade of schooling like protecting your privacy online, traveling on any budget, and finding motivation when it seems impossible. We've made it this far, but after countless conversations with friends, it became obvious to me that our childhood education had a ton of gaps. Sure, we learned linear equations and got to dissect frogs for some reason, but no one taught us what the difference between an HMO and a PPO was and why it's important. I took several years of Algebra but not once was a Mutual Funds class offered. That's where *Shit Adults Never Taught Us* comes in. This book picks up where the adults left off and helps fill in all our insufficient knowledge by going beyond the Google search bar.

Disguised as a self help book this mini memoir uses personal experiences including some epic failures to guide you through the most perplexing moments in life Shit Adults Never Taught Us covers a lot of topics including career strategies mental health emotional quandaries and navigating all of the WTF moments of adulthood Launching Your Side Hustle Jason R.
