Sorry but it s all about the numbers To appreciate the powerful investment approach that the FYSSI supports you will have to  
understand the numbers Just simple adding subtracting multiplying and dividing decimal points and percentages This is not a  
get rich quick scheme If you can grasp the measure and the magnitude of how your investments big or small can grow and  
how money can make money you will perhaps feel much better about your monetary future The intent is to provide a list of  
stocks that illustrate excellent investment choices The Five Year Stellar Stock Index FYSSI pronounced Fizzy can help you  
achieve a far better return than the average annual return you can get with an S P 500 index fund Dedicated To The 78% of

For decades Baby Boomers believed in steady pensions reliable savings and the promise that Social Security would provide  
security in our later years But those pillars are now crumbling under the weight of inflation endless government debt and a  
financial system that enriches the few while hollowing out the many What once felt solid is now quicksand Bitcoin for  
Boomers is not a get rich quick scheme or a technical manual It is a roadmap to financial freedom in a time of great  
uncertainty Written with Boomers in mind this book strips away the jargon and fear showing in plain language why Bitcoin is  
not just speculation but the most important form of money ever invented It is scarce incorruptible and built for a future
