Introducing Audiovisual Translation Agnieszka Szarkowska,Anna Jankowska,2024-09-30 This user friendly textbook offers comprehensive insights into all facets of audiovisual translation and media localisation Serving as a comprehensive guide spanning seven chapters it begins by introducing audiovisual translation AVT It goes on to explore the

historical backdrop and highlights the distinctions from traditional written text translation. The authors expertly navigate you through the primary AVT modalities interlingual subtitling, dubbing, voice over, subtitling for the deaf and hard of hearing, live subtitling and audio description. A blend of theoretical concepts and practical real world examples in various languages ensures a seamless understanding of the fundamental principles of AVT. The book clearly guides you through the most important aspects of each type of AVT. Designed for those exploring various AVT forms, budding audiovisual translators and those interested in contemporary AVT trends and research, this book is an invaluable resource for students of translation and linguistics and for educators in AVT across higher education and media localisation programmes.

From Networks to Netflix Derek Johnson, 2022-07-26 Now in a second edition, this textbook surveys the channels, platforms and programming through which television distribution operates with a diverse selection of contributors providing thorough explorations of global media industries in flux. Even as legacy media industries experience significant disruption in the face of streaming and online delivery, the power of the television channel persists. Far from disappearing, television channels have multiplied and adapted to meet the needs of old and new industry players alike. Television viewers now navigate complex choices among broadcast, cable and streaming services across a host of different devices. From Networks to Netflix guides students, instructors and scholars through that complex and transformed channel landscape to reveal how these industry changes unfold and why they matter. This second edition features new players like Disney, HBO Max, Crunchyroll, Hotstar and more, increasing attention to TV services across the world. An ideal resource for students and scholars of media criticism, media theory and media industries, this book continues to offer a concrete, tangible way to grasp the foundations of television and television studies even as they continue to be rewritten.

This guide offers practical advice and tips for enjoying the service without letting it take over. Parent Guides are your one stop shop for biblical guidance on teen culture trends and struggles. In 15 pages or fewer, each guide tackles issues your teens are facing right now: things like doubts, the latest apps and video games, mental health, technological pitfalls and more. Using Scripture as their backbone, these Parent Guides offer compassionate insight to teens' world thoughts and feelings, as well as discussion questions and practical advice for impactful discipleship.

The Palgrave Handbook of Music and Sound in Peak TV Janet K. Halfyard, Nicholas Reyland, 2024-12-17 The Palgrave Handbook of Music and Sound in Peak TV charts the transformation of television's sonic storytelling during the new golden age of televisual narrative from the late 1990s to the early 2020s. Grounded in close analytical, critical and theoretical work identifying the key traits of music and sound in this peak TV period, the book casts its critical net wider to develop interpretations of significance not just for screen music studies and musicology but for screen

and media studies too. By theorizing peakness with respect to sound and music and by drawing together contributions from a diverse collection of prominent musicologists, media scholars and practitioners, this handbook provides the authoritative guide to the role music has played in creating the success of some of the most culturally and commercially significant popular art of the early twenty first century. The volume contains 25 essays in three main sections: Concepts and Aesthetics, Practices and Production, and Audiences and Interpretations. Topics discussed include peakness, complexity, ostentatious scoring, antiheroes, memory, franchises, worldbuilding, nostalgia, maternity, trauma, actors' voices, title sequences, library music, branding, queer camp, scoring, kids' TV, captioning, industry practices, HBO and sound design. Shows examined include The Sopranos, The Wire, Game of Thrones, Battlestar Galactica, Westworld, Buffy the Vampire Slayer, Stranger Things, The Bridge, Dexter, Killing Eve, Mad Men, American Horror Story, Rings of Power, Fargo, Peaky Blinders, Call the Midwife, Twin Peaks, and Twin Peaks: The Return.

Translation Studies in the Philippines Riccardo Moratto, Mary Ann G. Bacolod, 2023-12-01. The contributors to this book examine the state development, issues, practices, and approaches to translation studies in the Philippines. The Philippines is a highly multilingual country with many indigenous languages and regional dialects spoken alongside foreign imports, particularly English and Spanish. Professor Moratto and Professor Bacolod and their contributors analyse the different roles that translation plays across an extensive range of areas, including disaster mitigation, crisis communication, gender bias, marginalization of Philippine languages, academe, and views on sex, gender, and sexuality. They look at a range of different types of translation from the translation of biblical texts to audio-visual translation and machine translation. Emphasising the importance of translation as an interdisciplinary field, they use a variety of analytic lenses, including anthropological, linguistics, language and culture studies, semantics, structural linguistics, and performance arts, among others. A comprehensive resource for scholars and practitioners of translation as well as a valuable reference for scholars across a wider range of humanities and social science disciplines in examining the culture, language, and society of the Philippines.

King Hu's Kung Fu Cinematic Art Ya-chen Chen, 2024-04-03. This scholarly compendium offers a comprehensive analysis of King Hu's transformative impact on Chinese martial arts cinema. It begins with a foundational examination of King Hu's directorial influence, setting the stage for an in-depth exploration of his filmography, including critical works like Dragon Inn and A Touch of Zen. The volume employs advanced theoretical frameworks, such as David Bordwell's film poetics, to dissect King Hu's pervasive influence across generations of filmmakers and the analysis of cultural translation and subtitling practices. Further illuminates the global dissemination and reception of Hu's films. A critical focus is placed on King Hu's oeuvre, analyzing its adaptability and intertextual resonance within broader artistic milieus. The book also critiques Hu's representation of women in martial arts cinema, interrogating both progressive and problematic elements. Concluding sections emphasize Hu's mastery in marrying classical Chinese narrative techniques with visual storytelling, highlighting his enduring legacy in the martial arts genre and global cinematic landscape. This volume asserts King Hu as a pivotal cultural
