*BattleTech: Ghost Hour* Jennifer Brozek,2020-06-26 CADETS UNDER FIRE Jasper and Nadine Roux are cadets at the Ritza MechWarrior Academy the only thing stopping a megalomaniacal Draconis Combine general with aspirations of claiming a piece of space as his own starting with their home planet Emporia is at war and cadets are now frontline soldiers as Tai sa Takeji Yoshizawa shifts tactics in a brutal effort to subjugate their entire world It s up to the siblings and their friends to stop the madman bent on conquest but while Jasper believes Nadine is too reckless Nadine believes Jasper is still living in the past As both struggle to do what they think is right the Ritza Academy comes under assault once more It takes a

shocking sacrifice to make them both see the true face of the enemy Reunited by the same purpose Jasper agrees to Nadine s audacious plan to make Emporia too much trouble for the leader of the Seventh Ghost Regiment to conquer Unfortunately for them Tai sa Yoshizawa has his own secrets and nothing left to lose And even if Nadine s plan works to perfection the cunning general has one last trick up his sleeve that could bring about the end of everything Nadine and Jasper hold dear China's International Socialization of Political Elites in the Belt and Road Initiative Theodor Tudoroiu,with Amanda R.

Ramlogan,2020-10-05 This book argues that China s international socialization of the political elites of Belt and Road Initiative BRI partner states is an exceptionally effective instrument of China s current foreign policy It shows how the BRI related process of socialization generates shared beliefs in the legitimacy and therefore in the acceptability of a Chinese international order among target elites and how in turn the policies and actions of states controlled by these elites tend to become aligned with the norms taught by the Chinese socializer It goes on to show how this serves the interests of China s government firms and citizens at national regional and global levels and how the resulting increased support for Beijing s version of the international order creates a virtuous circle that further enhances China s international position and potential
