**Rachel Sharp**

## Wait A Minute Cork And Fuzz:

**Wait a Minute** Dori Chaconas, 2015-03-10 Cork is a short muskrat who knows how to wait and Fuzz is a tall possum who doesn't like to wait for anything. When a round yellow object floats through the sky both Cork and Fuzz chase after it. Is it the sun? Is it an egg? Wait a minute did it just pop? A funny, charming, easy-to-read story about the adventures of two best friends who go together perfectly, differences and all. **Wait a Minute**, 2015 *Illinois Technograph*, 1926 [The Final Dream and Other Fictions](#) Daniel D. Pearlman, 1995 [Field and Stream](#), 1924 *The Jazz Fiction Anthology* Sascha Feinstein, David Rife, 2009-10-02 What sounds throughout these stories is the universal voice of humanity that is the essence of the music. **Semiotext(e) SF** Rudy von Bitter Rucker, Peter Lamborn Wilson, Robert Anton Wilson, 1989 **The Whore-Mother** Shaun Herron, 2014-04-07 John McManus joined the Provisional wing of the IRA to assuage his conscience. Now he wants nothing more than to escape the world of mindless violence and brutality in which he finds himself enmeshed. Pursued by IRA gunmen, he flees the length of Ireland by automobile, by bus, on foot, desperately struggling to outrun the consequences of his past. Two women conspire to help him flee his pursuers: Kate Burkner, whose passion for John and her for her country rages even in the shadow of gunmen, and Brendine Healy, an American girl who should never have left Boston. He cuts a wide swath across Ireland, encountering romantics and killers and the courageous and decent people of both the North and the South. If one of the tests of a good novel is that its characters stick with the reader for weeks on end and if another is that it informs him and makes him think, then *The Whore Mother* is, by both measures, a superior novel. In it, the agony of Ireland becomes a metaphor for the nature of violence itself. *Skipshock* Caroline O'Donoghue, 2025-06-03 Readers will burn through the pages as they traverse gorgeous, fully realized worlds replete with their own varied dramas. Incredibly immersive and utterly unique. Kirkus Reviews starred review. Set in a universe where time is key to power and privilege, this dazzlingly inventive genre-defying fantasy romance is the first in a duology by best-selling author Caroline O'Donoghue. Margo is a troubled schoolgirl. After the death of her father, she's on her way to a new boarding school in a new city. Moon is a salesman. He makes his living traveling through a series of interconnected worlds on a network of barely used train lines. They never should have met. But when Margo suddenly appears one day on Moon's train, their fates become inextricably linked. If Margo wants to survive, she has to pass as a traveling salesman too, except it's not that easy. Move north on the train line and time speeds up; a day passing in mere hours. Move south and time slows down; a day can last several weeks. Slow worlds are the richest ones; you live longer, your youth lasting decades. Fast worlds are sharp, cruel, and don't have time for pleasantries. Death is frequent. Salesmen die young of skipshock. That is, if they're not shot down by the Southern Guard first. As Margo moves between worlds and her attachment to Moon intensifies, she feels her youth start to slip between her fingers. But is Moon everything he seems? Is Margo told through the eyes of both naive Margo and desperate Moon, the unforgettable realm of *Skipshock* will shake the way you think about love, time, and the fabric of the universe. The first in a planned duology from

the best selling author of the Gifts series this utterly original epic is a must read      **Moments Along The Way** Amey Aubry,2022-11-15 Evy Chambers is stuck in an unhappy life Fueled by stubbornness and obligation she s vowed never to abandon her family the way her mother did But working for her father s plumbing supply company Evy feels as disconnected and futile as the toilets on the showroom floor Marlboros and merlot numb her discontent until an intervention forces her to find a new coping mechanism With one half hearted journal entry Evy somehow summons her own personal spirit guide This mystical Mr Myiagi leads Evy through an Eastern philosophy boot camp like makeover With each new experience a spark of joy is rekindled in Evy s life Putting logic aside for once she trusts her intuition and moves from Arizona to Wisconsin in the dead of winter Despite the icy isolation Evy finds friendship and even romance But in building her future she unknowingly opens the door to her past Now Evy s novice zen skills are put to the test      **Pharos** Rachel Sharp,2023-12-16 Jack and Rosie tried to return to their normal hacker lives after encountering the metal fae but now people are disappearing Their next door neighbor Zelda a psychobilly actress with a screaming habit is on the receiving end of a home invasion by a living cloud that was likely meant for them They re not sure what they re dealing with and Rosie may have been infected by the same black dust as the missing locals She feels it drawing her out to sea where the others disappeared She knows better than to go but when they exhaust their other options Rosie follows the only lead she has chasing the impulse she s felt since encountering the black dust It leads her to the Graves an old lighthouse where a Kindwraith has taken up residence Instead of trying to kill Rosie it heals her But if the Kindwraith is a helpful faerie what s eating people      Everygirl's Magazine ...
