Restless Anton,2020-08-15 Book about helping others and standing up for others who are being tormented and bullied We can make a difference and stop bullying We have a voice lets stop bullying now [We've Been There](#) Susan TeBos ,2022-05-24 Candid unfiltered stories about how it feels to be a teen adoptee The teen years are full of uncomfortable self discovery for everyone But adopted teens grapple with issues that make the coming of age journey immensely more difficult

Many don't have words for what they're feeling sensing or believing about themselves. They often don't have anyone like them to help them work through their struggles. Forced to cope on their own, they end up feeling isolated. Adoption advocate and adoptive mom Susan TeBos has watched her own children go through these struggles. Often she wished for a voice that would resonate with adopted teens, her own and others, and authentically meet them where they are. She found not one voice but many over thirty adopted teens and young adults. *We've Been There* gathers their stories, giving readers a front row seat to people with similar stories and feelings. This book is an unprecedented glimpse into the unfiltered feelings, thoughts, experiences, and unanswered questions that well up in the heart of every person with adoption in their story. From people who have been there as adopted kids, this book not only invites adopted teens to bring their concerns into the open but also helps them process how they feel and offers them hope on the other side. In these pages, teen adoptees will understand themselves in a whole new way and find reassurance and a sense of belonging as part of a global adopted community.

Special Delivery Leesa Ronald, 2024-12-03. An entrancing laugh-out-loud enemies-to-lovers romantic comedy. If you like *Book Lovers* by Emily Henry and *No Hard Feelings* by Genevieve Novak, you'll love *Special Delivery*. *Special Delivery* is a heartfelt laugh-out-loud story of finding love through life's twists and turns. Leesa Ronald is an author to watch; fans of Emily Henry and Sally Thorne will love this book. Kelly Rimmer, a delightfully funny read that will appeal to fans of Emily Henry and Nina Kenwood Books Publishing. Moving back to her hometown in country NSW, single, jobless, and pregnant, was never Poppy's plan. With her best friend living hundreds of kilometres away and an ex who refuses to pick up the phone, she doesn't know who to turn to for help. There's definitely no point asking her midwife, James, because he's the worst. Sure, he held her hand through the birth, but that's only because it was his job. However, as Poppy and James keep crossing paths in the small country town, Poppy begins to realise she may have misjudged her midwife. And that complicates things. As Poppy stumbles from crisis to crisis in a town that feels unrecognisable, she learns that to build a future, sometimes you need to let go of the past. And often, the strongest relationships are those you forge when you're at rock bottom. Leesa's writing is an exciting breath of fresh air. Her voice is witty, clever, and captures even the most mundane aspects of motherhood with incredible heart and humility. Leesa's ability to convey the vulnerabilities and insecurities we feel as mothers in the first year of a child's life is really reinforced by the beauty of the journey, despite its nuanced challenges. *Special Delivery* had me swooning, sobbing, and smiling from start to finish. I enjoyed every step along the voyage, feeling like I'd found a kindred spirit in Poppy and the colourful cast of characters who walk this year with her. Brava, Leesa! Jenna Lo Bianco, author of *The Italian Marriage*. *Special Delivery* is a hysterical and heartwarming romcom that delivers sizzling chemistry, unforgettable characters, and irresistible charm in one precious package. Utterly adorable and laugh-out-loud funny, it explores the magic and mayhem of becoming a single mother, returning to a life you thought you had left behind, and finding love when and where you least expect it.
