Choose Freedom! Bruce Eberle, 2023-09-04 With more than 400 endnotes and endorsements from a broad number of national conservative leaders *Choose Freedom* provides a reliable guidebook for young people as well as a refresher for all conservatives Written expressly for high school and college students *Choose Freedom* is an antidote to the woke indoctrination that is pervasive in America's education system from grade school to grad school This rescue book is the ideal book for parents and grandparents to give to their children It not only explains why there is a bright line from the thinking of America's Founders to today's conservative movement but also exposes the rotten anti freedom lineage of today's progressive liberal movement *Choose Freedom* reminds readers of the challenges facing the nation the weaknesses of the left and warns of the panic and fear of those on the left who correctly surmise that their message only succeeds when the American people hear only their side of the story It is also a book of optimism *Choose Freedom* encourages young men and women to engage in the conservative movement to grow in understanding of its history and its values and to press forward *Choose Freedom* tells young Americans how to persuade others to join the conservative cause how to spread the message of conservatism on their college campus and why they should be optimistic that the current threat from the left will be repelled in this generation Using understandable language author Bruce Eberle explains the core reason that conservatives and America's Founders stand in total opposition to every conclusion of the progressive movement from its founding in the 1890s until today With more than 400 endnotes and endorsements from a broad number of national conservative leaders *Choose Freedom* provides a reliable guidebook for young people as well as a refresher for all conservatives *Broken Build: Silicon Valley Romantic Suspense* Rachelle Ayala, 2012-09-11 When a woman wrongs a man can a man forgive and love Jen Jones wasn't a criminal She just made a few bad choices and ruined a few lives primarily that of her boss CEO Dave Jewell When her blackmailer is murdered she becomes the next target Dave Jewell protects Jen because she holds the key to his company's code What he doesn't expect is love lies and a link to his past Jen must solve the mystery and thwart a ruthless killer while keeping her heart from being broken
