Matthew Hollinder,2015-04-10 Facebook is the most popular online social network Originally developed to connect college students Facebook is used by different people

from around the world amounting to its 1.39 billion users The website gained popularity by providing an easy means of

communication between people Instead of having to send several messages to different people about how you are doing you can post one update on Facebook to alert everyone It also allows you to share pictures and other media with multiple people instantaneously creating simpler and faster communication More and more people join the network daily and the fastest growing demographic of users are in the age group of 55 and over proving that Facebook is no longer a network limited to teenagers and young adults People of all age groups and backgrounds recognize the value in the services it provides which is why Facebook has become a social buzzword because of its prominence in modern culture and interaction [Ultimate Guide to Facebook Advertising](#) Perry Marshall,2022-08-01 NEW CUSTOMERS ARE WAITING FIND THEM ON
