The Wicked Hour Alice Blanchard, 2020-12-01 From the award winning author of *Trace of Evil* a detective dealing with the scars of her past must solve a seemingly unconnected string of murders and face the impossible question of what to do when the killer may be hiding amongst the ones you know in Alice Blanchard's *The Wicked Hour* Readers will welcome a return to Burning Lake with Natalie at the helm Associated Press Lockhart is a relatable new heroine on the police procedural scene and one who will appeal to readers of Tana French Booklist The day after Burning Lake's notorious debauched Halloween celebration Detective Natalie Lockhart uncovers a heartbreaking scene a young woman dead and lying in a dumpster There's no clue to who she is save for a mystifying tattoo on her arm and a callus underneath her chin She's not from around here No one knows who she is As Natalie retraces the young woman's steps leading up to her death she uncovers a deeper darker horror a string of murders and disappearances seemingly unconnected that may have ties to each other and explain the abrupt disappearance of her best friend years ago As she digs deeper within the mind of the hunter Natalie finds a darkness she could never have imagined And as she draws closer to the truth the killer is weaving a trap for her that may prove inescapable [Oh Really, Riley?](#) Jim Riley, 2010-10-29 For more than seventy years Rileys Trick Shop has been a source of fun for generations of families who live on the south side of Chicago Founded in 1937 by Jim and Eleanor Riley the shop stocks joy buzzers whoopee cushions and fake vomit they greet their customers like old friends In *Oh Really Riley* the owners son Jim Riley details the true story of his family's long time business In 1937 the Rileys dream was simple to eke out a living during the Great Depression From before World War II to the dawning of the new millennium Riley shares how the business managed to survive through dedication perseverance pranks and laughs amid the cornucopia of gags party items and costumes Riley narrates the fascinating story of how one kernel of popcorn somehow expanded into a trick shop that would become the center of a community serving as a gathering place for amateur magicians and jokesters alike In the spirit of the continued success of every small family business *Oh Really Riley* spans seven decades as it shares the compelling story of one man's dream and how he made it come true [Ephemeral Retailing](#) Ghalia Boustani, 2019-07-26 Often described as the hottest retail phenomenon ephemeral retail concerns the growth of pop up stores as a new mode of retailing These temporary stores pop up without notice quickly attract crowds then disappear or morph into something else Although they share similarities with traditional physical stores and online stores ephemeral stores outshine existing retail formats as they have many unique and differentiating characteristics These stores are becoming more popular among distribution channels as they offer exclusive and surprising retail experiences Many established brands have already integrated these new points of sale into their distribution channels while other brands are adopting them to raise communication awareness sales or just for experimentation This phenomenon is finding its place amongst retailers not only for its efficiency and effectiveness but also for its unique impact providing a sense of novelty that makes it particularly

attractive to postmodern consumers seeking hedonic experiences This concise text introduces all aspects of this growing phenomenon and contextualises it within existing channels of distribution It explores brand atmospheric interventions that are designed to affect customer emotions behaviours or experiences as well as practices retailers adopt to build relationships with their customers It will be of interest to scholars and advanced students in retail marketing and branding
