M D,2023-06-13 Shelby Ford Late forties Project Director from Perth The contractor Jaxon Reid Mid fifties Entrepreneur from Texas The client A short term contract An unlikely encounter A joy A lie A learning Shelby After a traumatic childhood and many failed relationships Shelby undertakes a journey of reflection and healing and builds a stable and secure life for herself Now fast approaching her fifties she dreams of exploring the world and experiencing new things She lands a short term contract overseas and takes her chance without hesitation Jaxon A man dedicated to his life mission and purpose A dedication that resulted in many failed relationships and a now noticeable silence in his heart and his home He longs for the one thing that has always eluded him a solid stable commitment A life story He knows it s time to forgive the past and open himself up to love again He also knows that if he wants a different outcome he must do it differently this time A chance encounter forces them both to reflect on what they ve learned and what they need and want from life and love As Jaxon and Shelby explore their needs and desires Shelby is forced to admit that she s living with a secret a secret that requires her to show her courage close a difficult chapter and learn some new lessons before she can be ready to receive the joy on offer If you believe in the power of desire that you are enough that the best love stories are life stories and if you re open to a new playlist for love this is the book for you    *Close Liaisons* Anna Zaires,2013-02-03 Demo httpyoutu be YfUNCwJT\_Wo Regular version of the book https www createspace com 4021797 Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided

the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person s mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer s impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimicked version I usually give away a copy of an un gimicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real un gimicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding *Run Run Runaway Dahlia Rose* ,2024-04-06 I can t go through with this Lux Copper couldn t go through with it marrying Mario Blevins and becoming a part of his snobbish family just weeks before Christmas He was okay but their families push them together for some kind of alignment of fortunes or whatever As she walked up the aisle her mind raced searching for an escape route Lux locked eyes with Hudson Falk at the back of the chapel her best friend In that instant he extended his hand

to her Without a second thought Lux turned and ran to him amidst shocked gasps and her father's angry voice Little did she know taking Hudson's hand would lead to more than she could have ever anticipated making for a Christmas people could only dream of Hudson Falk had fallen for Lux Cooper from the moment they met Playing the role of her best friend had been a challenge especially when her father announced her engagement He didn't fit into their refined wealthy social circles they would be in awe of his secret he was the son of a Norse winter god in a human world Those secrets were never meant to be revealed until now and only to Lux Taking her hand and fleeing from the chapel with her presented him with a once in a lifetime opportunity Their impromptu escape led to unexpected turns Let's run away to Norway Yes Let's get drunk and get married Okay neither of them had anticipated that I'm actually a Norse god and I do mystical things Lux looked skeptical until he showed her his true life Now that Hudson had Lux he had no intention of letting her go After all he was a Viking and love was their expertise Beneath the enchanting Northern Lights for Christmas in a glass igloo nestled in the snow Hudson would show Lux how his kisses could warm her and how his love held no expectations except enduring beyond a lifetime just for her

Sánchez One click now and start reading today Written in Love is the first installment in the Unnatural Brethren series packed with immortals feisty witches and morally grey heroes If you like Vampire Romance Love Triangles Enemies to Lovers and Fated Mates then you'll LOVE Written in Blood Trigger Warning Contains some mature situations self harm incest death blood and is recommended for 18

What readers are saying about The Unnatural Brethren Where do I start It's gonna be a challenge I want to gush a fountain of spoilers This book should be filed away under Guilty Pleasures Our hero Ivan is a field of wild oats begging to be sown While his sister Alisa is the calm and the storm There were so many minor characters with unforgettable personalities I found myself getting attached to every new person that popped up Except one he knows who he is and take it from me he had it coming The writing style is solid The author's style was passionate and fast paced I sailed through this book partly because of the pace and partly because the drama and intrigue kept me hooked all the way through I especially appreciated all of the traveling in this book I enjoyed taking a tour of London Paris and Venice all from the comfort of my couch I loved this book Now if you'll excuse me I have a sequel to buy Ivan Lockhart is the definition of a romantic anti hero His heart is the right place his life is a constant strife to do the right thing yet circumstances have shaped him into something he abhors There's a sense of cruel fate that haunts him Even as a child surviving death becomes a curse of sorts and in his need to be loved and accepted he forges unconventional relationships dragging those who hold near and dear into his dark world And this all happens before the supernatural even shows up in this story An amazing read from an amazing author I love how she combines the paranormal with the historical So perfect and I can't wait for her next read

Excerpt from Written in Blood It haunted me from a distance Swathed in a thick veil of fog with but a few old trees looming above the island appeared desolated and dead An overwhelming sense of despair crept behind my neck as we reached the shore Thousands of men women and children had been condemned to live the last of their days here infected by the plague Dragged away from their homes here they suffered their agonizing illness shunned by society exiled from everything they knew and held dear Fans of the Vampire Chronicles and A Discovery of Witches will love The Unnatural Brethren series **The Night Circus** Erin

Morgenstern, 2019-11-05 A novel of magic and love that has enchanted readers far and wide with the spectacular power of its imagination The circus arrives without warning No announcements precede it It is simply there when yesterday it was not The black sign painted in white letters that hangs upon the gates reads Opens at Nightfall Closes at Dawn As the sun disappears beyond the horizon all over the tents small lights begin to flicker as though the entirety of the circus is covered in particularly bright fireflies When the tents are all aglow sparkling against the night sky the sign appears Le Cirque des Raves The Circus of Dreams Now the circus is open Now you may enter *ENDLESS LOVE, ROMANCE, AND INTIMACY* Bukenya Siraje, As a society we are embarrassed by love We treat it as if it were an obscenity We reluctantly admit to it Even saying the word makes us stumble and blush Love is the most important thing in our lives a passion for which we would fight or die and yet we're reluctant to linger over its names Without a supple vocabulary we can't even talk or think about it directly As the title *ENDLESS LOVE ROMANCE AND INTIMACY* indicates we want to live in a culture where love can flourish We yearn to end the lovelessness that is so pervasive in our society This book tells us how to return to love *ENDLESS LOVE ROMANCE AND INTIMACY* provides radical new ways to think about the art of loving offering a hopeful joyous vision of love's transformative power it lets us know what we must do to love again Gathering love's wisdom it lets us know what we must do to be touched by love's grace THERE ARE NOT many public discussions of love in our culture right now At best popular culture is the one domain in which our longing for love is talked about Movies music magazines and books are the place where we turn to hear our yearnings for love expressed Yet the talk is not the life affirming discourse of the sixties and seventies which urged us to believe All you need is love Nowadays the most popular messages are those that declare the meaninglessness of love its irrelevance A glaring example of this cultural shift was the tremendous popularity of Tina Turner's song with the title boldly declaring What's Love Got to Do with it I was saddened and appalled when I interviewed a well known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm Love what's that have never had any love in my life Youth culture today is cynical about love And that cynicism has come from their pervasive feeling that love can not be found Expressing this concern in When All You've Ever Wanted Isn't Enough Harold Kushner writes I am afraid that we may be raising a generation of young people who will grow up afraid to love afraid to give them selves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out I am afraid that they will grow up looking for intimacy without risk for pleasure without significant emotional investment They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy Young people are cynical about love Ultimately cynicism is the great mask of the disappointed and betrayed heart When I travel around the nation giving lectures about ending racism and sexism audiences especially young listeners become agitated when I speak about the place of love in any movement for social justice
