The Mom Test

Rob Fitzpatrick, 2013-10-09 **The Mom Test** is a quick practical guide that will save you time money and heartbreak. They say you shouldn't ask your mom whether your business is a good idea because she loves you and will lie to you. This is technically true but it misses the point. You shouldn't ask anyone if your business is a good idea. It's a bad question and everyone will lie to you at least a little. As a matter of fact it's not their responsibility to tell you the truth. It's your responsibility to find it and it's worth doing right. Talking to customers is one of the foundational skills of both Customer Development and Lean Startup. We all know we're supposed to do it but nobody seems willing to admit that it's easy to screw up and hard to do right. This book is going to show you how customer conversations go wrong and how you can do better

Summary of The Mom Test

SellWave Audio, 2025-10-17 **The Mom Test** is a fast practical guide designed to save entrepreneurs time money and frustration by teaching them how to ask the right questions and actually get useful answers. The title comes from the classic advice never ask your mom if your business idea is good because she'll lie to you out of love. But the deeper truth is that you shouldn't ask anyone if your idea is good. That's the wrong question and it leads to false validation every time. Customers aren't responsible for telling you the truth; it's your job to uncover it. In the world of Customer Development and Lean Startup, talking to customers is essential yet surprisingly easy to do poorly. **The Mom Test** exposes the common mistakes founders make in conversations asking for compliments instead of facts, fishing for validation or letting politeness cloud reality and shows how to flip the script. Instead of vague opinions you'll learn how to get clear insights, uncover real problems and validate whether people will actually pay for your solution. Whether you're a first time founder, a product manager or anyone building something new **The Mom Test** arms you with simple, repeatable rules for having better customer conversations. With

honesty humor and clarity it teaches you how to stop asking bad questions start listening to what really matters and make smarter decisions that bring your ideas to life **SUMMARY: The Mom Test: How To Talk To Customers Learn If Your Business Is A Good Idea When Everyone Is Lying To You By Rob Fitzpatrick** Shortcut Edition,1900 [The MOM Test](#)
