Belicove, 2012-10-02 Facebook is by far the most popular social networking site but it is not as user friendly as the service would like people to think It leaves many users scratching their heads over even the most fundamental features such as the difference between their Wall and their News Feed And Facebook's help system is woefully inadequate The Complete Idiot's Guide to Facebook Third Edition gets readers registered and touring Facebook in the very first chapter and never lets up as it reveals the features that have made Facebook so amazingly popular Users discover how to Flesh out and protect the all new personal profile Track down long lost friends family members and classmates Communicate via status updates email and chat Share photos and video Make the best use of the new Timeline feature Take advantage of Facebook's new location based functionality Schedule real world get togethers and send out invitations Share common interests in groups Play games Understand Facebook's dizzying array of privacy options that dictate who sees one's content Buy and sell stuff in the Facebook Marketplace and more Readers also learn how to tap the power of Facebook for more than simply personal use such as personal branding marketing a business product service or non profit or promoting a worthy cause

Facebook Me! A Guide to Socializing, Sharing, and Promoting on Facebook Dave Awl, 2010-12-16 With more than 500 million active users around the world and still growing steadily Facebook is more than just another social media site In the words of author Dave Awl Facebook is the new town square the place where people gather to discuss the news of the day as well as share what's going on in their lives And Facebook can actually be a useful business tool as well as a great way to promote creative projects So what's new in the second edition of Facebook Me Facebook has changed dramatically since the book was first published and this newly revised and expanded edition will bring readers up to speed on all the new features and interface elements that have been added and revamped in the time since It addresses the ongoing controversies about Facebook's privacy policies with detailed coverage of Facebook's privacy settings and advice for keeping your Facebook experience as secure as

possible as well as expanded info on Facebook's sharing tools and how to control who sees what. It includes a brand new chapter called Advertising and Promoting on Facebook that shows you how to apply the principles of social media marketing specifically to Facebook's user culture in order to maximize the ripple effect of Facebook's news feed to win new fans and customers and build stronger bonds with existing ones. Plus there's an expanded chapter on Facebook at Work how to keep your profile professional avoid getting in trouble and use Facebook for job hunting. And in the etiquette department this edition features new guidance on how to deal with conflict and avoid flame wars between Facebook friends. All in all Facebook Me takes you on a guided tour of everything Facebook has to offer and shows you how to get the most out of the time you spend there while helping you avoid some of its pitfalls. Find out what you can do on Facebook and what it can do for you. Reconnect with old friends and make new ones let your friends know what you're up to and share photos or video all while protecting your privacy. Learn Facebook etiquette how and why to friend someone how to socialize politely whether you should friend your boss and how to keep your profile looking professional if you do. Publicize your projects business or causes. Post to your Wall set up a Page organize a Group or invite friends to Events. Discover how to use Facebook's News Feed to connect with an audience that reaches far beyond the boundaries of your own friends list. Look for the Facebook Me page on Facebook to connect with the author and other readers of this book.
