Delivering Legendary Customer Service Richard S. Gallagher,2000 **Lip Service Vs Customer Service** Lynda Jeppesen,1995-11-01 Lessons Unlearned John Ragsdale,2012-04-01 Customer service is of particular importance to the technology industry customers rely on technical support services when they have a problem with a piece of hardware software or a consumer device The current darling of the technology industry is Apple and you don t have to go farther than the Genius Bar at your local Apple Store to see how Apple approaches customer service creating a fantastic customer experience that ensures rabid fans Most people think of customer service as a department and it s true virtually every company has some sort of customer service division But customer service is also a technology industry all on its own with a wide array of software and hardware required to support customers with product and service questions This book gives an insider s view of the customer service industry providing insight for those of you battling mediocre service every day If you understand the tools vocabulary and metrics that power customer service you can definitely demand better service from your providers and understand how to appropriately deal with service issues And for those already working in the customer service industry hopefully this book will provide you with some new best practices worst practices to avoid and maybe even a laugh or two along the way
