HOW CAN I PRACTICE MEMORY QUESTIONS?

Every day we are bombarded with a variety of pictures, including in newspapers, magazines and on the web.

Choose any picture from one of these sources and concentrate on it for ten minutes. Try to memorize as much detail as you can by using the organizing technique described above (or by any other method that helps you remember). Put the picture aside and do something else for another ten minutes. Then, without looking back at the picture, write down as much detail as you can remember – no matter how trivial. (Practicing for 10 minutes will help you reinforce your memory technique.)

Do at least one exercise each day. Choose different types of images. You will be surprised at how much your memory technique (and comfort level with this type of question) will improve.

The following pages contain four memory exercises. While doing the exercises, consider the following suggestions:

1. Study the picture carefully for the entire time that you are allowed to look at it.
2. Try to remember as much detail as you can. The more detail you can remember, the greater will be your chances of obtaining a higher score. Keep in
