## Study Guide For Cxc Social Studies:

Social Studies for CSEC CXC Nigel Lunt, Lena Buckle-Scott, Vilietha Davis-Morrison, Ancillia Louis, 2012-03-02 These Study Guides have been developed exclusively with the Caribbean Examinations Council CXC in order to be used as an additional resource by candidates who are following the Caribbean Secondary Education Certificate CSEC programme. They provide candidates with extra support to help them maximise their performance in their examinations. *Social Studies for CSEC* Nigel Lunt, Lena Buckle-Scott, Vilietha Davis-Morrison, 2014-11 Social Studies for CSEC is a comprehensive text for the CXC CSEC syllabus. There are regular features within each chapter which capture skills, present case studies and highlight ideas for SBA. Questioning relevant to topics and themes is graduated from a basic level to exam level questions at the end of chapters to stretch the pupil. CXC Social Studies Essentials Mervyn C. Sandy, Stephenson C. Grayson, 2000 Jamaican National Bibliography, 1998 *Resources in Education*, 1996-07 **Collins CSEC® Social Studies** Marsha Gayah, Meritta Hyacinth, 2025-03 Collins CSEC Social Studies provides a new approach to the study of the CSEC Social Studies syllabus and focuses on the skills needed to pass and to get a top grade. It provides full coverage of the CXC syllabus in clear, accessible language for learners. The Collins CSEC Social Studies textbook offers a comprehensive approach to the latest CSEC syllabus, providing learners with all the tools they need to succeed. The course covers the entire syllabus, providing in-depth coverage of all the topics, including effective SBA preparation. Written in clear, accessible language with case studies, clear definitions of important terms, research activities, infographics, photographs and illustrations to help explain core social studies concepts to students. Knowledge and comprehension questions and End of chapter summaries help students to consolidate what they have learned. Use of knowledge questions allow students to apply their understanding to real-life examples and contexts. SBA skills practice tasks are designed to develop students' skills in thinking critically, analysing information and reaching sensible and logical conclusions. End of chapter questions help students to practise the different kinds of question they will meet in their exams. The textbook has been written and reviewed by an experienced team of Caribbean teachers and examiners. Ancient and Indigenous Wisdom Traditions in the Americas Ehaab Abdou, Theodore Zervas, 2024-08-01 This book brings attention to the understudied and often overlooked question of how curricula and classroom practices might inadvertently reproduce exclusionary discourses and narratives that omit or negate particular cultures, histories and wisdom traditions. With a focus on representations and classroom practices related especially to ancient and Indigenous wisdom traditions and cultures, it includes unique contributions from scholars studying these questions in various contexts. The book offers a range of important studies from various contexts across the Americas, including Canada, the various member nations of the Caribbean Community (CARICOM), Puerto Rico and the United States. The various chapter contributions address and discuss nuances of each of the contexts under study. The contributions also help highlight some key commonalities across these contexts, including how dominant discourses and various forces have

historically shaped and continue to shape and reproduce such omissions misrepresentations and marginalization In addition to seeking to reconcile with some of these ancient and Indigenous wisdom traditions and cultures the book charts a path forward toward more holistic analytical frameworks as well as more inclusive and balanced representations and classroom practices in these aforementioned geographic contexts and beyond It will appeal to scholars researchers undergraduate and graduate students with interests in Indigenous education curriculum studies citizenship education history of education religion and educational policy
