Tests in Print fills a pressing need for a comprehensive bibliography of all commercially available English language tests in print. Although these volumes are useful in and of themselves, their maximum usefulness requires the availability and use of the Mental Measurements Yearbooks. Although information on available tests and specific test bibliographies is valuable, the greatest service which Tests in Print can perform is to encourage test users to choose tests more wisely by consulting the MMY test reviews, test reviews from journals, and the professional literature on the construction, use, and validity of the tests being considered. Although information on available tests and specific test bibliographies is valuable, the greatest service which Tests in Print can perform is to encourage test users to choose tests more wisely by consulting the MMY test reviews, the excerpted test reviews from journals, and the professional literature on the construction, use, and validity of the tests being considered. Tests in Print V contains information on over four thousand instruments. Along with a brief description, entries include population, scoring, pricing, publisher information, and a reference list of professional literature citing articles relevant to individual instruments. Indexes of titles, classified subjects, names, and scores, as well as a publishers directory and index, are included, with notations for out of print instruments. Information is given for tests in a wide range of areas, including education, psychology, counseling, management, health care, career planning, sociology, personnel, child development, social science, and research. Tests in Print V also provides a comprehensive index to the Mental Measurements Yearbook by directing readers to the appropriate volume or volumes for reviews of specific tests. *Orientation to Employment in State Correctional Service* California Institution for Men, California Vocational Institution (Lancaster, Calif.), 1950
