[The British National Bibliography](#) Arthur James Wells,2009 [Phenomenology in Action for Researching Networked Learning](#) Michael Johnson,Felicity Healey-Benson,Catherine Adams,Nina Bonderup

Dohn,2024-08-14 This book champions phenomenology's place in networked learning theory research and practice The book illuminates and showcases something of the powerful richness depth and novel insights offered by phenomenological perspectives on human experience to invoke a fundamental rethinking of experience in networked learning It also signals the broader learning technology community to acknowledge and engage with these perspectives The editors and authors have collaborated to bring a renewed focus upon the human facet of networked learning As our world becomes more digitally enmeshed infiltrated and contested the need to investigate and convey at maximum fidelity the lived experience of learners teachers and other stakeholders in education becomes paramount Through phenomenological inquiry we disclose the complex dance between the human and the technical spotlighting how individuals engage navigate and find meaning within

virtual yet embodied landscapes This approach suitably honours the complexity profundity and ethicality of human existence in our evolving digital ecologies The first section Phenomenological Perspectives in Researching Networked Learning lucidly explains phenomenology and some of its potential affordances The second section Practising Phenomenological Research in Networked Learning explicates the tangible practice of phenomenological research into specific phenomena chapters sample of a select range of studies that also indicate the kind of insights such research can bring to networked learning The concluding section presents two chapters that denote novel and arresting Critical Phenomenological Perspectives on Networked Learning Together these final chapters demonstrate the type of radical challenge that phenomenology can bring to the field refreshing even networked learning s most basic conceptions and practices With this book we open a space for anyone who wishes to join us in the wonderful inspiring and challenging application of phenomenology within the field of networked learning

An Introduction to Young Children With Delays and Disabilities Richard M. Gargiulo, Jennifer L.
