priesthood schemes that turned St Peter s pence into St Peter s billions and discloses matters of controversy that have the power to rock the Catholic Church at its very foundation THE PAPAL BILLIONS is a unique disclosure of the most formidable financial empire the world has ever seen How did it all begin The answer to that question is recorded in ancient Church records and reveals that Christianity was founded purely on financial principles Centuries of astonishing wealth accumulation by the Catholic Church commenced with Pope St Peter and his actions led to a series of spectacular papal forgeries that established the foundation for the Vatican s vast riches today Unravelling suppressed evidence establishes that the Holy Mother Church became an international colossus through money making enterprises inconsistent with her public preaching **Unknown Facts about the Vatican Billions** George Seldes,194? Collins,2007-06-01 This commentary is the first major work on the book of Revelation in many years that expounds the historicist interpretation The historicist school of interpretation was the dominant approach from Reformation times through most of the nineteenth century The reasons for the current disaffection are too complex to address in a few words but it is the author s conviction that from the standpoint of sound principles of biblical hermeneutics the historicist inerpretation is still the most creditable approach for an accurate understanding of this the last book of the Bible and the final prophecy of Jesus **The Rapture, One-World Government and the "Great Tribulation"** Luis Muñoz,2013-08-13 This book explains

in great detail and exceptional clarity the issues related to the rapture of the Church the government of the Antichrist the great tribulation and all the apocalyptic judgments which God will pour out upon the wicked world The rapture of the Church will bring about the global collapse of the economic political and religious institutions of the world At that moment of monumental crisis humanity will quickly look for a leader willing to put the world back together offer them peace and security The world will host a false prince of peace called the Antichrist He will elate the masses by telling them what they want to hear However he will push humanity to the deepest levels of degradation vice immorality crime war violence and rebellion against God He will corrupt the social and moral order and as a result billions of people will die He will plunge the world into spiritual darkness and lead humanity astray The Antichrists empire shall devour the whole earth trample it and break it in pieces Daniel 7 23 NKJV This will be a period characterized by widespread wars which will bring death to billions of people For in those days there will be tribulation such as has not been since the beginning of the creation which God created until this time nor ever shall be Mark 13 19 NKJV During this period 25 and 33 per cent of the world population will die in two major wars If these conflicts were to happen in our time 3 56 billion people would die However before the

Hendrie,2011-03-11 Attorney and Christian researcher Edward Hendrie investigates and reveals one of the greatest exposes of all time a book you don t want to miss Solving the Mystery of Babylon the Great is packed with documentation Never before have the crypto Jews who seized the reins of power in Rome been put under such intense scrutiny Texe Marrs Power of Prophecy People have wondered and debated for centuries about the identity of the mysterious Babylon the Great in the book of Revelation Solving the Mystery of BABYLON THE GREAT examines the historical evidence in light of the scriptures and solves the mystery The evidence leads to the ineluctable conclusion is that the Roman Catholic Church was established by crypto Jews as a false Christian front for a Judaic Babylonian religion That religion is the nucleus of a world conspiracy against man and God That is not a soft conspiracy theory based upon speculation but rather the hard truth based upon authoritative evidence which is documented in this book Texe Marrs explains in his foreword to the book Who is Mystery Babylon What is the meaning of the sinister symbols found in these passages Which city is being described as the great city so full of sin and decadence and who are its citizens Why do the woman and beast of Revelation seek the destruction of the holy people the saints and martyrs of Jesus What does it all mean for you and me today Solving the Mystery of Babylon the Great answers these questions and more Edward Hendrie s discoveries are not based on prejudice but on solid evidence aligned forthrightly with the whole counsel of God He does not condone nor will he be a part of any project in which Bible verses are taken out of context or in which scriptures are twisted to mean what they do not say Again and again you will find that Mr Hendrie documents his assertions backing up what he says with historical facts and proofs Most important is that he buttresses his findings with scriptural understanding The foundation for his research is sturdy because it is based on the bedrock of God s unshakeable Word      *The Vatican's Holocaust* Avro Manhattan,1986      [The Union: Get Ready to Meet the King!](#) ,      **The Churchman** ,1930      **The Freethinker** ,1977      [Religious Terror in Ireland](#) Avro Manhattan,1971

**Render Unto Rome** Jason Berry,2012-06-12 AN INVESTIGATION OF EPIC FINANCIAL INTRIGUE RENDER UNTO ROME EXPOSES THE SECRECY AND DECEIT THAT RUN COUNTER TO THE VALUES OF THE CATHOLIC CHURCH The Sunday collection in every Catholic church throughout the world is as familiar a part of the Mass as the homily and even Communion There is no doubt that historically the Catholic Church has been one of the great engines of charity in history But once a dollar is dropped in that basket where does it go How are weekly cash contributions that can amount to tens of thousands of dollars accounted for Where does the money go when a diocese sells a church property for tens of millions of dollars And what happens when hundreds of millions of dollars are turned over to officials at the highest ranks no questions

asked for their discretionary use The Roman Catholic Church is the largest organization in the world The Vatican has never revealed its net worth but the value of its works of art great churches property in Rome and stocks held through its bank easily run into the tens of billions Yet the Holy See as a sovereign state covers a mere 108 acres and has a small annual budget of about 280 million No major book has examined the church s financial underpinnings and practices with such journalistic force Today the church bears scrutiny by virtue of the vast amounts of money nearly 2 billion in the United States alone paid out to victims of clergy abuse Amid mounting diocesan bankruptcies bishops have been selling off whole pieces of the infrastructure churches schools commercial properties while the nephew of one of the Vatican s most powerful cardinals engaged in a lucrative scheme to profiteer off the enormous downsizing of American church wealth **The Nation** ,1887
