## **The Vitamin Cure For Womens Health Problems:**

**The Vitamin Cure for Women's Health Problems** Helen Saul Case,2012 Women s health issues are often handled by physicians who have little time and often no inclination to get to the root cause of their patients illnesses or concerns Almost always women are sent on their way after a quick diagnosis with a prescription for what at first seems to be simple pharmaceutical answer to their problems Unfortunately medical solutions often don t work very well and have side effects that may seem as bad as or worse than the original illness At best they leave the person relying on drugs instead of addressing the root cause of the problem Good nutritional guidance natural alternative options and vitamins that actually can cure are generally not options in the modern medical tool bag
