Association**

## **The Watermans Song Slavery And Freedom In Maritime North Carolina:**

**The Waterman's Song** David S. Cecelski,2001 Waterman's Song Slavery and Freedom in Maritime North Carolina

**The Waterman's Song** David S. Cecelski,2012-01-01 The first major study of slavery in the maritime South The Waterman's Song chronicles the world of slave and free black fishermen pilots rivermen sailors ferrymen and other laborers who from the colonial era through Reconstruction plied the vast inland waters of North Carolina from the Outer Banks to the upper reaches of tidewater rivers Demonstrating the vitality and significance of this local African American maritime culture David Cecelski also reveals its connections to the Afro Caribbean the relatively egalitarian work culture of seafaring men who visited nearby ports and the revolutionary political tides that coursed throughout the black Atlantic Black maritime laborers played an essential role in local abolitionist activity slave insurrections and other antislavery activism They also boatlifted thousands of slaves to freedom during the Civil War But most important Cecelski says they carried an insurgent democratic vision born in the maritime districts of the slave South into the political maelstrom of the Civil War and Reconstruction

*The ^AOxford Handbook of American Folklore and Folklife Studies* Simon J. Bronner,2019-08-06 The Oxford Handbook of American Folklore and Folklife Studies surveys the materials approaches concepts and applications of the field to provide a sweeping guide to American folklore and folklife culture history and society Forty three comprehensive and diverse chapters explore the extraordinary richness of the American social and cultural fabric offering a valuable resource not only for scholars and students of American studies but also for the global study of tradition folk arts and cultural practice

**City of Refuge** Marcus P. Nevius,2020-02-01 City of Refuge is a story of petit marronage an informal slave's economy and the construction of internal improvements in the Great Dismal Swamp of Virginia and North Carolina The vast wetland was tough terrain that most white Virginians and North Carolinians considered uninhabitable Perceived desolation notwithstanding black slaves fled into the swamp's remote sectors and engaged in petit marronage a type of escape and fugitivity prevalent throughout the Atlantic world An alternative to the dangers of flight by way of the Underground Railroad maroon communities often neighbored slave labor camps the latter located on the swamp's periphery and operated by the Dismal Swamp Land Company and other companies that employed slave labor to facilitate the extraction of the Dismal's natural resources Often with the tacit acceptance of white company agents company slaves engaged in various exchanges of goods and provisions with maroons networks that padded company accounts even as they helped to sustain maroon colonies and communities In his examination of life commerce and social activity in the Great Dismal Swamp Marcus P Nevius engages the historiographies of slave resistance and abolitionism in the early American republic City of Refuge uses a wide variety of primary sources including runaway advertisements planters and merchants records inventories letterbooks and correspondence abolitionist pamphlets and broadsides county free black registries and the records and inventories of private companies to examine how American maroons enslaved canal laborers white company agents and commission merchants

shaped and were shaped by race and slavery in an important region in the history of the late Atlantic world      **The Waterman's Song** David S. Cecelski,2001 Waterman's Song Slavery and Freedom in Maritime North Carolina      **Texas Labor History** Bruce A. Glasrud,James C. Maroney,2013-04-21 Too often observers and writers of Texas history have accepted assumptions about labor movements in the state both organized and not that do not bear up under the light of careful scrutiny Offering a scholarly corrective to such misplaced suppositions the studies in Texas Labor History provide a helpful new source for scholars and teachers who wish to fill in some of the missing pieces Tackling a number of such presumptions that a viable labor movement never existed in the Lone Star State that black brown and white laborers both male and female were unable to achieve even short term solidarity that labor unions in Texas were ineffective because of laborers inability to confront employers the editors and contributors to this volume lay the foundation for establishing the importance of labor to a fuller understanding of Texas history They show for example that despite differing working conditions and places in society many workers managed to unite sometimes in biracial efforts to overturn the top down strategy utilized by Texas employers Texas Labor History also facilitates an understanding of how the state's history relates to reflects and differs from national patterns and movements This groundbreaking collection of studies offers notable opportunities for new directions of inquiry and will benefit historians and students for years to come      **Feral Animals in the American South** Abraham H. Gibson,2016-08-30 The relationship between humans and domestic animals has changed in dramatic ways over the ages and those transitions have had profound consequences for all parties involved As societies evolve the selective pressures that shape domestic populations also change Some animals retain close relationships with humans but many do not Those who establish residency in the wild free from direct human control are technically neither domestic nor wild they are feral If we really want to understand humanity's complex relationship with domestic animals then we cannot simply ignore the ones who went feral This is especially true in the American South where social and cultural norms have facilitated and sustained large populations of feral animals for hundreds of years Feral Animals in the American South retells southern history from this new perspective of feral animals      *North Carolina Folklore Journal* ,2005

**Bluejackets and Contrabands** Barbara Brooks Tomblin,2009-10-09 One of the lesser known stories of the Civil War is the role played by escaped slaves in the Union blockade along the Atlantic coast From the beginning of the war many African American refugees sought avenues of escape to the North Due to their sheer numbers those who reached Union forces presented a problem for the military Fortunately the First Confiscation Act of 1861 permitted the seizure of property used in support of the South's war effort including slaves Eventually regarded as contraband of war the runaways became known as contrabands In Bluejackets and Contrabands Barbara Brooks Tomblin examines the relationship between the Union Navy and the contrabands The navy established colonies for the former slaves and in return some contrabands served as crewmen on navy ships and gunboats and as river pilots spies and guides Tomblin presents a rare picture of the contrabands and casts

light on the vital contributions of African Americans to the Union Navy and the Union cause *The North Carolina Historical Review*, 2018 **The American Neptune**, 2000 A quarterly journal of maritime history 'Make Haste & Let Me See You with a Good Cargo of Negroes' Sowande'.
