## **The Wigglesworth Standard:**

*The Wigglesworth Standard* Peter J. Madden, 2015-10-01 God confirmed Smith Wigglesworth's ministry with powerful signs following. A few of these included the deaf hearing, cancers cured, legs and feet creatively formed where only stumps had existed previously, healing the violently insane, and fourteen people being raised from the dead. These are a few of the many miracles God performed in Wigglesworth's ministry. The secret of his ability to be used by God in such a powerful way is discussed in this work so that others can follow in his steps. A study of Wigglesworth's life will build and inspire your faith, deepen your compassion, and expand your vision. You will learn the power of reaching out to a hurting world and allowing God's power to change lives. [Smith Wigglesworth's Keys to Power](#) Peter J. Madden, 2013-03-14

Secrets of God's Power Revealed. God confirmed Smith Wigglesworth's ministry through powerful signs and wonders. These included the restoration of hearing and sight, the creative formation of missing limbs, the disappearance of cancerous growths, the recovery of mental wholeness by the violently insane, and the raising of several people from the dead. What changed an ordinary plumber who suffered from stage fright into one of the most compelling healing evangelists of the twentieth century? Author Peter Madden unfolds specific keys from the life and ministry of Smith Wigglesworth that will enable you to understand God's ways and take your life from ordinary to extraordinary. You too can see the incurable healed. Find purpose for your life. Receive God's favor and blessings. Be led by the Holy Spirit. Deal with evil powers. Have freedom from fear. Experience His love and joy. Jesus wants us to understand and use the power of the Spirit because He said, "He who believes in Me, the works that I do, he will do also, and greater works than these he will do." John 14:12

**The Man God Shook** Kenneth C. Rowley, 2018-06-12 Nothing gives significance and purpose more than developing intimacy with God. That is why this book *The Man God Shook* can be dynamic in your journey. I love reading this brilliantly written book, the honesty of the pastor, the struggles he endured, being physically shaken for years, and his coming out the other side in the presence of God. Kent Parker: "Oh wow, so many points I loved it all. Scripture notes from other pastors, personal stories, step by step to get to certain ideas, so many things touched me. I can't give just one detail. I like the way it was all joined together. Amazing." Judy Treherne: "I was around when God shook the man. What I remember the most is bringing a man that was addicted on crack cocaine in the front door of the church for deliverance. The shaking man laid eyes on him, and immediately the Power of God blazed through him, and the addict fell and was so plowed by the Holy Ghost that he literally could not stand up. It was sooo powerful and awesome. He would try to get up and could only crawl on his hands and knees while drunkenly say we're having church, and it's not even Sunday. What a POWERFUL deliverance. I shall never forget it. That man left set free from addiction." Brenda Reed

**Divine Healing: The Years of Expansion, 1906-1930** James Robinson, 2014-05-07 In the present volume, James Robinson completes his trilogy which deals with the history of divine healing in the period 1906-1930. The first volume is a study of the years 1830-1890 and was hailed as a standard reference for years to come. The second book covers the years 1890-1906 and was acclaimed as a

monumental achievement that combines careful historical scholarship and a high degree of accessibility This volume completes the study up to the early 1930s and like the other two works has a transatlantic frame of reference Though the book gives prominence to the theology and practice of divine healing in early Pentecostalism it also discusses two other models of healing the therapeutic and sacramental promoted within sections of British and American Anglicanism Some otherwise rigorous Fundamentalists were also prepared to practice divine healing The text contributes more widely to medical and sociocultural histories exemplified in the rise of psychotherapy and the cultural shift referred to as the Jazz Age of the 1920s The book concludes by discussing the major role that divine healing plays in the present rapid growth of global Christianity

**Making Good the Claim** Rufus Burrow Jr.,2016-02-16 The Church of God Reformation Movement founded in 1881 has the distinction of having been founded on the two core principles of holiness and visible unity Standard histories of the group proudly argue that the founder and pioneers exhibited a zeal for interracial unity that began to wane only in the early years of the twentieth century This book rejects that claim and argues instead that little to no extant hard evidence supports that view Moreover Making Good the Claim argues that while blacks eagerly joined the group they did so not because whites expended much energy evangelizing among them but because they heard something deeper in the message of holiness and visible unity than God s expectation that members achieve spiritual and church unity Unlike most whites blacks interpreted the message to call for unity along racial lines as well This book challenges members of the Church of God to begin forthwith to make good their historic claim about holiness and visible unity particularly as it applies to interracial unity
