**The American Journal of the Medical Sciences** ,1894      *Discourse, of Course* Jan Renkema,2009-05-14 Discourse of Course comes after Jan Renkema s Introduction to Discourse Studies 2004 for undergraduates The new book is a collection of twenty short papers It is a capita selecta course and meant for graduate programs The aim of this book is threefold to present material for advanced courses in discourse studies to unfold a stimulating display of research projects to future PhD students to give an overview of new developments after the 2004 Introduction to Discourse Studies This publication fulfills both the teacher s need for a state of the art overview of the main topics in discourse and the student s need to acquire standards for developing research plans in theses and dissertations It gives a combination of approaches from very different schools in discourse studies ranging from argumentation theory to genre theory from the study of multimodal metaphors to cognitive approaches to coherence analysis This book is not only meant to serve as a textbook but also as a reference book for researchers who want an update for various main topics in the field      The Englishwoman ,1909      **The Spectator** ,1871 A weekly review of politics literature theology and art      **The Book Buyer** ,1900 A review and record of current literature      **Greatest Mystery Novels of Wilkie Collins (Illustrated): Thriller Classics: The Woman in White, No Name, Armadale, The Moonstone, The Haunted Hotel: A Mystery of Modern Venice, The Law and The Lady, The Dead Secret, Miss or Mrs?** Wilkie Collins,2015-05-21 The Woman in White is considered to be among the first mystery novels and is widely regarded as one of the first and finest in the genre of sensation novels The story is sometimes considered an early example of detective fiction with the hero Walter Hartright employing many of the sleuthing techniques of later private detectives The Moonstone is an epistolary novel generally considered the first detective novel in the English language Besides creating many of the ground rules of the detective novel The Moonstone also reflected Collins enlightened social attitudes in his treatment of the servants in the novel Armadale is a mystery novel and has a convoluted plot about two distant cousins both named Allan Armadale The father of one had murdered the father of the other the two fathers are also named Allan Armadale The story starts with a deathbed confession by the murderer in the form of a letter to be given to his baby son when he grows up No Name is a 19th century novel revolving around the issue of illegitimacy      **The Women of Tenacity** Shanna Hatfield,2011-11-28 This collection of western romances features tenacious determined women and the rugged men who love them      *The Medical Examiner and General Practitioner* ,1905      The European Women's History Reader Fiona Montgomery,Christine Collette,2002 The European Women s History Reader is a fascinating collection of seminal articles and extracts exploring the social economic religious and political history of women across Europe since the late eighteenth century This ambitious volume is arranged into four chronological sections all with their own introductions which provide context for the chapters that follow The collection also includes a useful general introduction which makes the articles accessible to students and helps to define this increasingly important area of study      **The Life and Work of**

**Joanna Baillie** Margaret Sprague Carhart,1923 For God, for Country, for Home, the National League for Woman's Service Bessie Rowland James,1920 *Arabic Literary Salons in the Islamic Middle Ages* Samer M. Ali,2010-11-15 Arabic literary salons emerged in ninth century Iraq and by the tenth were flourishing in Baghdad and other urban centers In an age before broadcast media and classroom education salons were the primary source of entertainment and escape for middle and upper rank members of society serving also as a space and means for educating the young Although salons relied on a culture of oral performance from memory scholars of Arabic literature have focused almost exclusively on the written dimensions of the tradition That emphasis argues Samer Ali has neglected the interplay of oral and written as well as of religious and secular knowledge in salon society and the surprising ways in which these seemingly discrete categories blurred in the lived experience of participants Looking at the period from 500 to 1250 and using methods from European medieval studies folklore and cultural anthropology Ali interprets Arabic manuscripts in order to answer fundamental questions about literary salons as a social institution He identifies salons not only as sites for socializing and educating but as loci for performing literature and oral history for creating and transmitting cultural identity and for continually reinterpreting the past A fascinating recovery of a key element of humanistic culture Ali s work will encourage a recasting of our understanding of verbal art cultural memory and daily life in medieval Arab culture

**Daughters of the Mountain** Suzanne E. Tallichet,2006-10-03 Much has been written over the years about life in the coal mines of Appalachia Not surprisingly attention has focused mainly on the experiences of male miners In *Daughters of the Mountain* Suzanne Tallichet introduces us to a cohort of women miners at a large underground coal mine in southern West Virginia where women entered the workforce in the late 1970s after mining jobs began opening up for women throughout the Appalachian coalfields Tallichet s work goes beyond anecdotal evidence to provide complex and penetrating analyses of qualitative data Based on in depth interviews with female miners Tallichet explores several key topics including social relations among men and women professional advancement and union participation She also explores the ways in which women adapt to mining culture developing strategies for both resistance and accommodation to an overwhelmingly male dominated world

Pocket Bulletin for American Industries ,1917 *Pioneer Mother Monuments* Cynthia Culver Prescott,2019-04-04 For more than a century American communities erected monuments to western pioneers Although many of these statues receive little attention today the images they depict sturdy white men saintly mothers and wholesome pioneer families enshrine prevailing notions of American exceptionalism race relations and gender identity *Pioneer Mother Monuments* is the first book to delve into the long and complex history of remembering forgetting and rediscovering pioneer monuments In this book historian Cynthia Culver Prescott combines visual analysis with a close reading of primary source documents Examining some two hundred monuments erected in the United States from the late nineteenth century to the present Prescott begins her survey by focusing on the earliest pioneer statues which celebrated the strong white men who settled and conquered the West By

the 1930s she explains when gender roles began shifting new monuments came forth to honor the Pioneer Mother The angelic woman in a sunbonnet armed with a rifle or a Bible as she carried civilization forward an iconic figure resonated particularly with Mormon audiences While interest in these traditional monuments began to wane in the postwar period according to Prescott a new wave of pioneer monuments emerged in smaller communities during the late twentieth century Inspired by rural nostalgia these statues helped promote heritage tourism In recent years Americans have engaged in heated debates about Confederate Civil War monuments and their implicit racism Should these statues be removed or reinterpreted Far less attention however has been paid to pioneer monuments which Prescott argues also enshrine white cultural superiority as well as gender stereotypes Only a few western communities have reexamined these values and erected statues with more inclusive imagery Blending western history visual culture and memory studies Prescott's pathbreaking analysis is enhanced by a rich selection of color and black and white photographs depicting the statues along with detailed maps that chronologically chart the emergence of pioneer monuments
