Our Social World Jeanne H. Ballantine,Keith A. Roberts,Kathleen Odell Korgen,2016-11-30 Inspire your students to develop their sociological imaginations in Our Social World Focused on deep learning rather than memorization this book encourages readers to analyze evaluate and apply information about the social world to see the connection between the world and personal events from a new perspective and to confront sociological issues on a day to day basis Organized around the Social World Model a conceptual framework used across chapters to see the complex links between various micro to macro levels of the social system students will develop the practice of using three levels of analysis and to view sociology as an integrated whole rather than a set of discrete subjects

Terrorism and Transnational Security Threats in West

Africa: Adebayo E. Adeyemi PhD,2015-09-18 While it could be arguably stated that West Africa has achieved remarkable and sustainable progress in the areas of democratic governance and economic growth the subregion over the past few years has been challenged by terrorism and other transnational security threats Innocent civilians are continuously killed security operatives and providers of humanitarian assistance are targeted and properties and infrastructures are wantonly destroyed thus culminating in significant displacement of people and acute poverty If these developments are not carefully and timely addressed they are capable of eroding progress so far recorded It is against this background that this book examines the different manifestations of terrorism and related transnational security challenges in West Africa with a view to exploring the internal and external sources and drivers of instability establishing the linkages between terrorism and transnational threats and reviewing the various steps taken in recent time to strengthen the subregions capacity to prevent and address the menace of terrorism and other security challenges and make necessary policy recommendations based on comprehensive best practices

USA and the World 2014-2015 David M. Keithly,2014-08-14 Span style font style italic USA and the World endeavors to describe not only what happened but to put events in the context of the past and to criticize policy actions as appropriate The result goes deeper than most of what appears in current publications

The Pink Line Mark Gevisser,2020-07-28 A groundbreaking examination of how the issues of sexuality and gender identity divide and unite the world today More than seven years in the making Mark Gevisser s The Pink Line is an exploration of how the conversation around sexual orientation and gender identity has come to describe and divide the world in an entirely new way over the first two decades of the twenty first century A new Pink Line Gevisser argues has been drawn across the globe and he takes readers to its frontiers Between sensitive and sometimes startling profiles of the queer people he s encountered along the Pink Line from Israel to Russia Michigan to Mexico Gevisser offers sharp analytical chapters exploring identity politics religion gender ideology capitalism human rights moral panics geopolitics and what he calls the new transgender culture wars What results is a moving and multifaceted picture of the world today and the queer people defining it Eye opening heartfelt expertly researched and compellingly narrated The Pink Line is a monumental and urgent journey of unprecedented

scope into twenty first century identity seen through the border posts along the world s new LGBTQ frontiers One of TIME s 100 Must Read Books of 2020 Longlisted for the 2021 Rathbones Folio Prize Praise for The Pink Line Mark Gevisser is clear eyed and wise enough to have a sharp sense of how tough the struggle has been and how hard it will be now for those who have not succeeded in finding shelter from prejudice Colm T Óibhín The Guardian A global geography of queer struggle a wide ranging openhearted beautifully told account of the radically various state of LGBTQ rights in the world Garth Greenwell author of *Cleanness* Gevisser s monumental effort in this global deep think of a text outlines how much work remains ahead This necessary timely intelligent book belongs in every library the world over Booklist starred review Makes impressive strides in chronicling distant and recent LGBT history and progress across the world the humanity and tension with which Gevisser portrays his subjects keeps the prose engaging alongside his incredible and seemingly encyclopedic knowledge of LGBT world history Library Journal starred review **The USA and the World** Charles H.
