Blanchard, Jane S. Webster, 2012-11-13 How might women in the Bible tell their stories if they were prompted to do so by Eve Ensler s controversial play The Vagina Monologues This collection imagines some answers to that question The monologues herein are written by a variety of authors including scholars undergraduates clergy and laywomen the content of the narratives reflects this variety being at times faithful or irreverent tragic or even funny All seek to give twenty first century voices to women in canonical texts including the Hebrew Bible Deuterocanonical books and New Testament who are often speechless nameless or otherwise marginalized Not for the faint of heart these monologues not only end the silences but also add flesh and bone to characters whose experiences have too easily been justified metaphorized or altogether ignored By naming the torn places in these women s stories this volume invites readers to encounter both the biblical characters and their contemporary interpreters with an attitude of compassionate listening Our hope is that such compassionate listening may contribute not only to more just readings of sacred texts but also to the mission of Eve Ensler and V Day to end global violence against women and girls **The Vagina Monologues** , The

Apology V (formerly Eve Ensler), 2019-05-14 From the bestselling author of *The Vagina Monologues* a powerful life changing examination of abuse and atonement A triumph of artistry and empathy Naomi Klein A crucial step forward This is an urgently needed book right now Jane Fonda Courageous transformative and yes healing Anne Lamott Like millions of women Eve Ensler has been waiting much of her lifetime for an apology Sexually and physically abused by her father Eve has struggled her whole life from this betrayal longing for an honest reckoning from a man who is long dead After years of work as an anti violence activist she decided she would wait no longer an apology could be imagined by her for her to her The Apology written by Eve from her father s point of view in the words she longed to hear attempts to transform the abuse she suffered with unflinching truthfulness compassion and an expansive vision for the future Through The Apology Eve has set out to provide a new way for herself and a possible road for others so that survivors of abuse may finally envision how to be free She grapples with questions she has sought answers to since she first realized the impact of her father s abuse on her life How do we offer a doorway rather than a locked cell How do we move from humiliation to revelation from curtailing behavior to changing it from condemning perpetrators to calling them to reckoning What will it take for abusers to genuinely apologize Remarkable and original The Apology is an acutely transformational look at how from the wounds of sexual abuse we can begin to re emerge and heal It is revolutionary asking everything of each of us courage honesty and forgiveness

The Vagina Monologues Brett Loraine Lamb, 2001

Insisting on Intersectionality in The Vagina Monologues

Erin Heisler, 2015 Discusses how *The vagina monologues* is hindered by the play s relatively singular focus on patriarchal ideologies and calls for an intersectional approach to gender that also addresses the ways in which women are simultaneously oppressed by racism capitalism gender binarism ageism and nationalism The Good Body Eve

Ensler, 2004-11-09 Botox bulimia breast implants Eve Ensler author of the international sensation *The Vagina Monologues* is back this time to rock our view of what it means to have a good body In the 1950s Eve writes girls were pretty perky They had a blond Clairol wave in their hair They wore girdles and waist pinchers In recent years good girls join the army They climb the corporate ladder They go to the gym They wear painful pointy shoes They don t eat too much They don t eat at all They stay perfect They stay thin I could never be good *The Good Body* starts with Eve s tortured relationship with her own post forties stomach and her skirmishes with everything from Ab Rollers to fad diets and fascistic trainers in an attempt get the flabby badness out As Eve hungrily seeks self acceptance she is joined by the voices of women from L A to Kabul whose obsessions are also laid bare A young Latina candidly critiques her humiliating spread a stubborn layer of fat that she calls a second pair of thighs The wife of a plastic surgeon recounts being systematically reconstructed inch by inch by her perfectionist husband An aging magazine executive still haunted by her mother s long ago criticism describes her desperate pursuit of youth as she relentlessly does sit ups Along the way Eve also introduces us to women who have found a hard won peace with their bodies an African mother who celebrates each individual body as signs of nature s diversity an Indian

woman who transcends treadmill mania and delights in her plump cheeks and curves and a veiled Afghani woman who is willing to risk imprisonment for a taste of ice cream These are just a few of the inspiring stories woven through Eve's global journey from obsession to enlightenment Ultimately these monologues become a personal wake up call from Eve to love the good bodies we inhabit A Penis Manologue Joe DiBuduo,2009-11-25 Content in this book was banned from a college classroom the same college classroom that required the reading of *The Vagina Monologues* Ironically it was in that class that this book was inspired After reading Eve Ensler's book *The Vagina Monologues* Joe DiBuduo wanted to show a male's point of view to the subjects mentioned in Ensler's book He planned to write a screenplay and call it *The Penis Chronicles* After handing out a questionnaire to a multitude of people who said they would participate Joe received only one response *The Penis Chronicles* couldn't be written with only his and another man's responses He then realized how reticent most men and even a college instructor were to talk about penises At that point he felt obligated to write his own attitude about the male appendage So he ended up with one monologue his own one man a manologue Free sample chapters at <http://www.apenismanologue.com> **"The Vagina Monologues" Program** Cornell Women's Resource Center,Cornell University. ingesting it its title the Vagina Monologues It is a humorous look mostly at this well written book about a woman s self discovery Being one who has sought counseling and had conversations with my walls This book was part of my work in dealing with myself Being a bit broken from the divorce and loss the exercise in reading and writing helped me if no one else to find humor and love once again **The Vagina Monologues (Dress Rehearsal), February 10, 2001** ,2001 *Coming to Read The Vagina Monologues* Christine M.
