- 1 Aviation High School is a great example of how a school can help students become engaged and interested in learning The school is all about structure and students are kept so busy that they have neither the time nor the desire for antics
- 2 There are very few visits from American officials to Aviation High The school is 85 percent male and the women students are well respected but their numbers remain minuscule
- 3 There is no simple answer as to why there are so few girls in Aviation High School s program but the school s administrators are confident that their success will allay any concerns
- 4 The shortchanged girl movement was based on a lot of unconventional evidence such as controversial self esteem studies unpublished reports on classroom interactions and speculative metaphor laden theories about school climates and female adolescent malaise

Garcia,2008-10-07 Why are so many of today s supermen superclueless Why are so many ambitious young women unable to find boyfriends as successful and independent as they are Why do so many men prefer the escapist digitized world of SPIKE TV Jackass and Grand Theft Auto to the reality of their own lives In an eye opening exploration of contemporary American manhood The Decline of Men shows how men are struggling to redefine what being a man means in today s world Their confusion has led to rampant male malaise which has left many men feeling alienated and disconnected Unable to communicate their frustrated thoughts or emotions effectively too many guys are slacking off and opting out of their manly obligations producing an entire generation of men who are ditching their own potential and failing the moms wives and girlfriends who love them The Decline of Men is a wake up call to this distressing state of affairs As award winning journalist Guy Garcia reports rather than working hard to achieve top grades or a promotion at work too many American males squander their energy tracking their fantasy football league scores or mastering the latest video game Men drop out of school at a far higher rate than women and are far likelier to die early because of poor health habits Even the male Y chromosome is said to be at risk of disappearing altogether one day Packed with startling statistics informed by pop culture and narrated in the entertaining style for which Guy Garcia is known The Decline of Men sheds light on a problem that has wreaked havoc on the American family and urges men and women to look past the gender wars to address this national emergency together

**The War Against the Family** William Douglas Gairdner,1992 Believing it is high time for someone to speak out in defense of the family William Gairdner the author of *The Trouble with Canada* has turned his attention to what he calls the civil war of values that is weakening the soul of the family in Canada Among his findings Traditional marriage is being demoted in our children s textbooks as only one choice among many types of family relationships Massive funding is given to radical lobby groups devoted to destroying the family while those supporting it go begging Sex education at one time the concern of families has become the property of sexologists and peer groups The mainline churches have abandoned souls for political causes and pagan theories The law and the courts of the land are decimating the traditional privileges of the family in the name of individual rights In writing that is vigorous and compelling Gairdner traces the war against the family to a political ideology springing from Plato Rousseau and a utopian liberalism that has become a caricature of itself everywhere promoting rights but forgetting duties Powered by this ideology the modern State eager for votes and hostile to freedom effectively weakens the family unit which it sees as a bastion of privacy privilege and authority In *The War Against the Family* Gairdner throws down the gauntlet forcing into the open a much needed debate about the future of the family in Western societies The family of today and future generations are sure to benefit Jacket flap
