War and the Christian Conscience Joseph Fahey,2005 The Christian tradition has supplied a variety of answers to the question of war but how are we to decide which one is right More basically how does one go about forming one s personal conscience For all who ponder these questions whether young people facing

military service or counselors chaplains or teachers this book is essential Provided by publisher The Christian Advocate,1898 **Moral Issues and Christian Response** Paul T. Jersild,1971 **Response** ,2002 **Just War on Terror?** Dr David Fisher,Mr Brian Wicker,2013-06-28 Following the 9 11 attacks by Al Qa ida President Bush declared war on terror In the succeeding years Western governments have struggled to find the right way to respond to the new and deadly threat posed by terrorism With the election of President Obama the rhetoric has softened and policies have been adjusted but the underlying problems and challenges remain the same Meanwhile the war on terrorism in Afghanistan has been intensified Drawing on just war teaching as developed within both Christian and Muslim traditions this book examines whether and how liberal democracies can combat the new global terrorism both effectively and justly The authors including distinguished academics from both sides of the Atlantic Christian and Muslim theologians former senior civil servants and a General deploy a wide range of experience and expertise to address one of the most difficult and pressing ethical challenges to contemporary society The Rule of Law & the Global War on Terrorism ,2009 **Christian Responses to Islam** Anthony O'Mahony,Emma Loosley,2008-11-15 This is the only book currently on the market that attempts to construct a global perspective of Christian Muslim interaction in a post 9 11 world **The Christian Ethic of War** Peter Taylor Forsyth,1916

The Mennonite Quarterly Review ,2010 **Blood Guilt** Philip Kapusta,2015-10-07 The author uses September 11th 2001 and America s subsequent wars in Afghanistan and Iraq as the backdrop for his personal essays on Christian separationism It is the author s belief that an unbelieving world will ridicule and reject as false a religion whose adherents claim to follow a Prince of Peace but who refuse to lay down the sword and scepter The incongruity between the teachings of Jesus and the actions of Christians in these areas discredits the Gospel Christianity s sanction of war and its affiliation with the military are the most glaring and damaging expressions of Christian inconsistency destroying the only real and meaningful alternative that can be presented to a war torn world
