Internationally bestselling epic fantasy series a benchmark for the genre Epic in every sense GUARDIAN Bokinfo **The Way of Kings** Brandon Sanderson, 2015-06-11 I loved this book What else is there to say Patrick Rothfuss According to mythology mankind used to live in The Tranquiline Halls Heaven But then the Voidbringers assaulted and captured heaven casting out God and men Men took root on Roshar the world of storms And the Voidbringers followed They came against man ten thousand times To help them cope the Almighty gave men powerful suits of armor and mystical weapons known as Shardblades Led by ten angelic Heralds and ten orders of knights known as Radiants mankind finally won Or so the legends say Today the only remnants of those supposed battles are the Shardblades the possession of which makes a man nearly invincible on the battlefield The entire world is at war with itself and has been for centuries since the Radiants turned against mankind Kings strive to win more Shardblades each secretly wishing to be the one who will finally unite all of mankind under a single throne On a world scoured down to the rock by terrifying hurricanes that blow through every few days a young spearman forced into the army of a Shardbearer led to war against an enemy he doesn't understand and doesn't really want to fight What happened deep in mankind's past Why did the Radiants turn against mankind and what happened to the magic they used to wield Readers absolutely love The Way of Kings Incredible impressive or fantastic all these words are an understatement to the quality this book holds The Way of Kings is the beginning of a masterpiece series in epic fantasy Novel Notions It's multi POV action packed heartfelt exciting thrilling and I am running out of adjectives Goodreads Reviewer Goodreads reviewer The story is mind blowing the ideas and thoughts create a world that is believable and intriguing A strong tale with a well fleshed out world and multidimensional characters that are easy to care about Goodreads Reviewer Goodreads reviewer The Way of Kings is a huge opening act to The Stormlight Archive which took every single one of these elements of a good fantasy story and elevated the art of storytelling to a different league Goodreads reviewer Brandon Sanderson is probably the most gifted storyteller of his generation He's a silent force that strikes you when you least expect it and with The Way of Kings he introduces a series that will change the history of Fantasy Goodreads reviewer I've been struck speechless I've loved Sanderson's books in the past but this one completely blew me away I really wish I could give The Way of Kings a sixth star Goodreads reviewer *Words of Radiance* Brandon Sanderson, 2014-03-04 From 1 New York Times bestselling author Brandon Sanderson *Words of Radiance* Book Two of the Stormlight Archive continues the immersive fantasy epic that *The Way of Kings* began Expected by his enemies to die the miserable death of a military slave Kaladin survived to be given command of the royal bodyguards a controversial first for a low status darkeyes Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren Syl The Assassin Szeth is active again murdering rulers all over the world of Roshar using his baffling powers to thwart every bodyguard and elude all pursuers Among his prime targets is Highprince Dalinar widely considered the power behind the Alethi throne His leading

role in the war would seem reason enough but the Assassin's master has much deeper motives Brilliant but troubled Shallan strives along a parallel path Despite being broken in ways she refuses to acknowledge she bears a terrible burden to somehow prevent the return of the legendary Voidbringers and the civilization ending Desolation that will follow The secrets she needs can be found at the Shattered Plains but just arriving there proves more difficult than she could have imagined Meanwhile at the heart of the Shattered Plains the Parshendi are making an epochal decision Hard pressed by years of Alethi attacks their numbers ever shrinking they are convinced by their war leader Eshonai to risk everything on a desperate gamble with the very supernatural forces they once fled The possible consequences for Parshendi and humans alike indeed for Roshar itself are as dangerous as they are incalculable
