Alfred Wallis Factor David Wilkinson, 2017-07-19 Since his death in 1942 St Ives has become marinated in the spirit of the naive painter Alfred Wallis Naum Gabo the Russian Constructivist felt that Wallis's gift as an artist was that he never knew he was one His unconventional approach and the innocence of his personal method of making art marked Alfred Wallis even after his death as a crucial figure in the modernist movement The art scene in St Ives during World War II is depicted vividly in The Alfred Wallis Factor which illustrates the birth of modernism in the small fishing port in the far south west of England

With dominant personalities like Sven Berlin Ben Nicholson Barbara Hepworth Adrian Stokes Bernard Leach Terry Frost Peter Lanyon Wilhelmina Barns Graham and Patrick Heron it was inevitable that personal relationships would both form and fracture Though causes would range from the banal to the bizarre David Wilkinson never loses focus on the high stakes for which these characters were playing the creation of their work and reputations of lasting significance Their passion was strong and their ambition even stronger The Alfred Wallis Factor tells the story of this extraordinary painter s long lasting influence on and beyond modernism David Wilkinson expounds the events around and following the artist s death assessing the roles of friends and rivals in making Alfred Wallis a benchmark of modern British art The Alfred Wallis Factor is a comprehensive examination of a troubled era in which life met war and changed the destiny of the art world Forthcoming Books Rose Army,2002 **Gail Jones** Tanya Dalziel,2020-07-01 Gail Jones Word Image Ethics is an accessible guide to the writings of Gail Jones the award winning Australian author essayist and academic Drawing together ideas from literature art philosophy and photography the volume presents a compelling analysis of Jones literary commitment to the political and the personal and reflects on how and why we interpret literary texts An essential contribution to the intersecting fields of Australian studies and international literature Gail Jones Word Image Ethics offers innovative insights into the writing of one of Australia s most accomplished authors Little Masterpieces of Fiction Hamilton Wright Mabie,Lionel Strachey,1904 Encyclopaedia of Religion and Ethics: Fiction- Hyksos James Hastings,John Alexander Selbie,1914 **The Berlin Wall** Ernst Schürer,Manfred Erwin Keune,Philip Jenkins,1996 Although physically removed the Berlin Wall will continue to live on in history and in the pages of this anthology as a symbol of the struggle between the most powerful ideologies of the twentieth century **Book Review Digest** ,2009 **Schmidt - Theyer** Walther Killy,Rudolf Vierhaus,2011-11-30 The Dictionary of German National Biography is unique complete and comprehensive with biographies of 60 000 people from the German speaking world It covers not only individuals from Germany but also from Austria Switzerland and other countries where German is or used to be spoken Coverage stretches all the way from the time of Charlemagne to the present day and includes lesser known as well as world famous Germans In order to ensure that entries were as objective as possible only individuals whose life and works have come to an end were included *The International Blue Book* ,1911 *Outing; Sport, Adventure, Travel, Fiction* ,1886 **Library Journal** ,2002 Fictions of Germany Osman Durrani,1994 This book examines four pivotal works by leading twentieth century German novelists to reveal the intimate connections between literary fiction and social reality The moral and political disorientation of Alfred Doblin s Berlin Alexanderplatz the cultural sterility and stifling bureaucracy of Hermann Hesse s The Glass Bead Game the paralysing effect of a nation s past in Thomas Mann s Doctor Faustus and the latent violence underpinning Gunter Grass s controversial study of the sexes in The Flounder each text contains a wealth of material on the social intellectual and moral climate in Germany at the time of writing and places uncomfortable home truths before the modern reader BOOK JACKET Title Summary field provided by Blackwell North
