The Wedge Between Us Heidi Quimby, 2015-01-16 Do you have obstacles that are in the way of you becoming all that you want to be You are not alone We have all had things get in our way of reaching our goals wedges that are crammed into our relationships forced into our thinking driven into our belief systems which then create the person we think we are Wedges are defined as something that is set in place to maintain a gap or separation between two things They have their place in the world for things such as splitting wood or plowing a field however when they create the space between you and your happiness they need to be removed Throughout the pages of this book you will be inspired to pull out all the stops that are holding you back **The Congregationalist and Christian World** ,1910 Tricycle ,2006 *The Great Events of the Great War* Charles Francis Horne, Walter Forward Austin, 1923 *Fifty American Faces from the Collection of the National Portrait Gallery* Margaret C. queer texts created for younger audiences Given critical demands to distance queer youth culture from narratives of violence sadness and hurt that have haunted the queer imagination this volume considers how post 2000s YA literature and media negotiate their hopeful purview with a broader and ongoing history of queer oppression and violence It not only considers the tactics that authors use in bridging a supposedly bad queer past with a better queer present but also offers strategies on how readers can approach YA reparatively given the field s attachments to normative capitalist and neoliberal frameworks Central to Matos argument are the use of historical hurt to spark healing and transformation the implementation of disruptive imagery and narrative structures to challenge normative understandings of time and feeling and the impact of intersectional thinking in reparative readings of queer youth texts *The Reparative Impulse of Queer Young Adult Literature* shows how YA cultural productions are akin to the broader queer imagination in their ability to move and affect audiences and how these texts encapsulate a significant and enduring change in terms of how queerness is or can be read structured represented and felt The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
