## The Weight Of Your Words:

The Weight of Your Words Joseph M. Stowell, 1998-03-09 Sticks and stones will break my bones but names will never hurt me This lie has been taught to children for years We claim it strengthens them Allows them to let the harsh words of other children roll off their backs But the truth is that words have power Power to encourage Power to heal But also power to intimidate power to scourge and power to wound How are you using the power of words What we say has both spiritual and physical implications Revelation 21 8 tells us that liars have their place in the Lake of Fire And we all have seen the devastation wreaked by rumors on innocent reputations Yet with the same intensity kind words can soothe a broken spirit and restore shattered relationships Your words also say a lot about you Jesus said For out of the overflow of the heart the mouth speaks Matthew 12 34 If our hearts are not in tune with God neither will be our words In The Weight of Your Words Joseph Stowell shares the truth about the tongue straight from the Bible God's Word to His people He challenges us to not allow our mouths to be controlled by our anger or our circumstances but rather to be controlled by the Holy Spirit and His work in our lives Take inventory of your words and your heart attitude with Joseph Stowell in The Weight of Your Words

*The Weight of Your Words: Measuring the Impact of What You Say* Joseph M. Stowell, 1983 THE HEAVIEST WEIGHT IN THE WORLD YOUR WORDS Angella Wynn, 2021-12-17 Words are vital in any relationship It is often said to be the major instrument of communication and a potent means to express our feelings thoughts and emotions I will say one of God's greatest gifts to man is not just to make sounds and signs but the ability to speak But how well do we maximize the power of this unique gift from God To what extent have we made the world around us a better place through our words How intense is the brightness that proceeds from our words to dispel gloom in the heart of those around us You see words are so important Jesus calls Himself the word The Bible says in John 1 1 In the beginning was the Word and the Word was with God and the Word was God That is God's words are not just a combination of alphabets and syllabus but a supernatural mystery That is why it is the heaviest weight in the world Hence the need to know how powerful God's word is and how you can align your word to command similar authority and exploits Remember Psalm 82 6 says Ye are gods and all of you are children of the most High So through this 30 days devotional I will be sharing with you supernatural insights into the blessings of God's word and how you can apply the same principle in your words I believe that at the end of this experience your words would have been shaped and sharpened to influence the world around you Let's dive in **A Concordance to the Poems of**
