# The White Logic Alcoholism And Gender In American Modernist Fiction

**Conor Picken, Matthew Dischinger**

## **The White Logic Alcoholism And Gender In American Modernist Fiction:**

*The White Logic* John William Crowley, 1994 The first extended literary analysis to take account of recent work by social historians on the temperance movement this book examines the relationship between intoxication and addiction in American life and letters during the first half of the twentieth century In explaining the transition from Victorian to modern paradigms of heavy drinking Crowley focuses on representative fictions

### **Alcohol and Temperance in Modern History** Jack S.

Blocker Jr., David M. Fahey, Ian R. Tyrrell, 2003-12-17 A comprehensive encyclopedia on all aspects of the production consumption and social impact of alcohol *Alcohol and Temperance in Modern History An International Encyclopedia* spans the history of alcohol production and consumption from the development of distilled spirits and modern manufacturing and distribution methods to the present Authoritative and unbiased it brings together the work of hundreds of experts from a variety of disciplines with an emphasis on the extraordinary wealth of scholarship developed in the past several decades Its nearly 500 alphabetically organized entries range beyond the principal alcoholic beverages and major producers and retailers to explore attitudes toward alcohol in various countries and religions traditional drinking occasions and rituals and images of drinking and temperance in art painting literature and drama Other entries describe international treaties and organizations related to alcohol production and distribution global consumption patterns and research and treatment institutions as well as temperance prohibition and antiprohibitionist efforts worldwide

*The SAGE Encyclopedia of Alcohol* Scott C. Martin, 2014-12-16 Alcohol consumption goes to the very roots of nearly all human societies Different countries and regions have become associated with different sorts of alcohol for instance the beer culture of Germany the wine culture of France Japan and saki Russia and vodka the Caribbean and rum or the moonshine culture of Appalachia Wine is used in religious rituals and toasts are used to seal business deals or to celebrate marriages and state dinners However our relation with alcohol is one of love hate We also regulate it and tax it we pass laws about when and where it s appropriate we crack down severely on drunk driving and the United States and other countries tried the failed Noble Experiment of Prohibition While there are many encyclopedias on alcohol nearly all approach it as a substance of abuse taking a clinical medical perspective alcohol alcoholism and treatment The SAGE Encyclopedia of Alcohol examines the history of alcohol worldwide and goes beyond the historical lens to examine alcohol as a cultural and social phenomenon as well both for good and for ill from the earliest days of humankind

**The Boys in the Band** Matt Bell, 2016-12-12 Scholars and students working in the disciplines of film studies queer studies history theater and sociology will surely find the book invaluable and a shaping influence on these fields in the coming years

**Alcohol and Drugs in North America** David M. Fahey, Jon S. Miller, 2013-08-27 Alcohol and drugs play a significant role in society regardless of socioeconomic class This encyclopedia looks at the history of all drugs in North America including alcohol tobacco prescription drugs cannabis cocaine heroin methamphetamine and even chocolate and caffeinated drinks This two volume encyclopedia provides accessibly written

coverage on a wide range of topics covering substances ranging from whiskey to peyote as well as related topics such as Mexican drug trafficking and societal effects caused by specific drugs The entries also supply an excellent overview of the history of temperance movements in Canada and the United States trends in alcohol consumption its production and its role in the economy as well as alcohol s and drugs roles in shaping national discourse the creation of organizations for treatment and study and legal responses This resource includes primary documents and a bibliography offering important books articles and Internet sources related to the topic    **Southern Comforts** Conor Picken,Matthew Dischinger,2020-03-11

Moving beyond familiar myths about moonshiners bootleggers and hard drinking writers Southern Comforts explores how alcohol and drinking helped shape the literature and culture of the U S South Edited by Conor Picken and Matthew Dischinger this collection of seventeen thought provoking essays proposes that discussions about drinking in southern culture often orbit around familiar figures and mythologies that obscure what alcohol consumption has meant over time Complexities of race class and gender remain hidden amid familiar images catchy slogans and convenient stories As the first collection of scholarship that investigates the relationship between drinking and the South Southern Comforts challenges popular assumptions by examining evocative topics drawn from literature music film city life and cocktail culture Taken together the essays collected here illustrate that exaggerated representations of drinking oversimplify the South s relationship to alcohol in effect absorbing it into narratives of southern exceptionalism that persist to this day From Edgar Allan Poe to Richard Wright Bessie Smith to Johnny Cash Bourbon Street tourism to post Katrina disaster capitalism and more Southern Comforts Drinking and the U S South uncovers the reciprocal relationship between mythologies of drinking and mythologies of region    **Lady Lushes** Michelle L. McClellan,2017-11-30 According to the popular press in the mid twentieth century American women in a misguided attempt to act like men in work and leisure were drinking more Lady Lushes were becoming a widespread social phenomenon From the glamorous hard drinking flapper of the 1920s to the disgraced and alcoholic wife and mother played by Lee Remick in the 1962 film Days of Wine and Roses alcohol consumption by American women has been seen as both a prerogative and as a threat to health happiness and the social order In Lady Lushes medical historian Michelle L McClellan traces the story of the female alcoholic from the late nineteenth through the twentieth century She draws on a range of sources to demonstrate the persistence of the belief that alcohol use is antithetical to an idealized feminine role particularly one that glorifies motherhood Lady Lushes offers a fresh perspective on the importance of gender role ideology in the formation of medical knowledge and authority

**Love on the Rocks** Lori Rotskoff,2003-10-15 In this fascinating history of alcohol in postwar American culture Lori Rotskoff draws on short stories advertisements medical writings and Hollywood films to investigate how gender norms and ideologies of marriage intersected with scientific and popular ideas about drinking and alcoholism After the repeal of Prohibition in 1933 recreational drinking became increasingly accepted among white suburban middle class men and women But excessive or

habitual drinking plagued many families How did people view the problem drinkers in their midst How did husbands and wives learn to cope within an alcoholic marriage And how was drinking linked to broader social concerns during the Great Depression World War II and the Cold War era By the 1950s Rotskoff explains mental health experts movie producers and members of self help groups like Alcoholics Anonymous and Al Anon helped bring about a shift in the public perception of alcoholism from sin to sickness Yet alcoholism was also viewed as a family problem that expressed gender role failure for both women and men On the silver screen in movies such as *The Lost Weekend* and *The Best Years of Our Lives* and on the printed page in stories by such writers as John Cheever in hospitals and at Twelve Step meetings chronic drunkenness became one of the most pressing public health issues of the day Shedding new light on the history of gender marriage and family life from the 1920s through the 1960s this innovative book also opens new perspectives on the history of leisure and class affiliation attitudes toward consumerism and addiction and the development of a therapeutic culture Food and Drink in Literature Norman Kiell, 1995 A unique bibliographic survey including over 1500 items opening avenues for further research on food and drink **The Hemingway Review**, 1996 *Western American Literature*, 1996 **Altering**

**American Consciousness** Caroline Jean Acker, Sarah W. Tracy, 2004 Virtually every American alive has at some point consumed at least one and very likely more consciousness altering drug Yet if the use of drugs is a constant in American history the way they have been perceived has varied extensively Just as the corrupting cigarettes of the early twentieth century coffin nails to contemporaries became the glamorous accessory of Hollywood stars and American GIs in the 1940s only to fall into public disfavor later as an unhealthy and irresponsible habit the social significance of every drug changes over time The essays in this volume explore these changes showing how the identity of any psychoactive substance from alcohol and nicotine to cocaine and heroin owes as much to its users their patterns of use and the cultural context in which the drug is taken as it owes to the drug's documented physiological effects Rather than seeing licit drugs and illicit drugs recreational drugs and medicinal drugs hard drugs and soft drugs as mutually exclusive categories the book challenges readers to consider the ways in which drugs have shifted historically from one category to another From publisher's description Nineteenth-century Literature, 1998 Contains articles which focus on a broad spectrum of significant figures in fiction philosophy and criticism such as Austen Carlyle Dickens Thackeray the Brontes Tennyson Browning Arnold Emerson Hawthorne Thoreau Whitman Twain and Henry James *"Lady Lushes": Women Alcoholics in American Society, 1880-1960* Michelle Lee McClellan, 2000 Ernest Hemingway's A Farewell to Arms Linda Wagner-Martin, 2003-04-30 Wagner Martin a respected scholar of American modernism and former president of the Ernest Hemingway Foundation and Society offers a comprehensive guide to the novel's genesis plot background themes style and critical reception Each chapter overviews a significant element of the novel and includes thorough documentation A bibliographic essay is also included A landmark of American literature Hemingway's *A Farewell to Arms* 1929 is one of the most widely read and studied novels of

the 20th century Written by a respected scholar of American modernism and former president of the Ernest Hemingway Foundation and Society this reference is a comprehensive guide to the novel s genesis plot background themes style and critical reception Each chapter overviews a significant element of the novel and includes thorough documentation The volume closes with a bibliographic essay which provides summaries of current criticism in such fields as gender and feminist theory medical humanities and lesbian and gay studies    **The Social History of Alcohol and Drugs** ,2005    **The Publishers' Trade List Annual** ,1995    **Unmade in America** Timothy Archibald Yates,2007    **The Cumulative Book Index** ,1996 A world list of books in the English language    *The Faulkner Journal* ,1996
