## **The Witchs Walking Stick:**

**The Witch's Walking Stick** Susan Meddaugh, 2005 Poor Margaret is waking up to another bad day. Ever since her parents died her brother and sister have made her sweep the floors, chop the wood, cook the meals, feed the pigs and anything else they can think to demand. Selfish, mean and twice as big as Margaret, they always get their way. When at last Margaret has had enough, she runs away into the forest. Just as she is wondering how she will survive, she comes upon an old lady with a very sad story: a dog has run off with her walking stick and she can't do a thing without it. When the old lady promises Margaret a reward of three gold coins for its safe return, the girl readily agrees. Little does Margaret know that the old lady is really a witch: her reward a trick and her walking stick a magic stick the witch has used to make a thousand miserable wishes come true.
