## **The Work Of Fire Meridian Crossing Aesthetics:**

**The Work of Fire** Maurice Blanchot,2022     [Are You Judging Me Yet?](#) Kim Moore,2023-03-08 Five lyric essays exploring the dynamics of performing poetry as a female poet confronting the implications of being a female on public display with the connotations of sexual objectification in a context that traditionally disregards the body Kim states With the strides and gains made through the MeToo movement I believe the time is right for a book like this to make an impact As a female poet I know there is a need for such a book to examine the intersection between writing performing feminism and sexism I wish this book had been written when I first started working as a freelance writer and I ve had many conversations with other female poets who have also confirmed my thinking that female poets are navigating these things regularly and yet nobody is really writing or talking about them The book draws on her experiences of writing and performing the poems in her second collection All the Men I Never Married It is a balance of memoir academic treatise and poetry though the author s emphasis is on writing in a popular way and making the subject accessible to a wide audience To achieve this her models have been Maggie Nelson s Bluets Claudia Rankine s Citizen and Sarah Ahmed s Living a Feminist Life The book s subjects include heckling at poetry readings and other interactions problems with the male gaze and what the female gaze might look like in poetry guilty for being a man how guilt can be useful if it can bring about change how writing poetry about sexism can shed add meaning to the term the objectification of men and women and bad faith arguments Are You Judging Me Yet by Kim Moore is a remarkable collection of essays and poetry that explore as the tagline suggests everyday sexism neverintimate Moore s work becomes an even more vital tool in the work being done to challenge everyday sexism Reading her work is not only a window into her own experiences but may also act as a means of education and that s something we all need to see more of Wales Arts Review

[The Decision Between Us](#) John Paul Ricco,2014-03-31 The Decision Between Us combines an inventive reading of Jean Luc Nancy with queer theoretical concerns to argue that while scenes of intimacy are spaces of sharing they are also spaces of separation John Paul Ricco shows that this tension informs our efforts to coexist ethically and politically an experience of sharing and separation that informs any decision Using this incongruous relation of intimate separation Ricco goes on to propose that decision is as much an aesthetic as it is an ethical construct and one that is always defined in terms of our relations to loss absence departure and death Laying out this theory of unbecoming community in modern and contemporary art literature and philosophy and calling our attention to such things as blank sheets of paper images of unmade beds and the spaces around bodies The Decision Between Us opens in 1953 when Robert Rauschenberg famously erased a drawing by Willem de Kooning and Roland Barthes published Writing Degree Zero then moves to 1980 and the neutral mourning of Barthes Camera Lucida and ends in the early 1990s with installations by Felix Gonzalez Torres Offering surprising new considerations of these and other seminal works of art and theory by Jean Genet Marguerite Duras and Catherine Breillat The Decision Between Us is a highly original and unusually imaginative exploration of the spaces

between us arousing and evoking an infinite and profound sense of sharing in scenes of passionate erotic pleasure as well as deep loss and mourning     **Theory on the Edge** N. Giffney,M. Shildrick,2013-06-13 Theory on the Edge brings together some of the foremost specialists working at the interdisciplinary interface between Irish Studies feminist theory queer theory and gender and sexuality studies in order to trace the contemporary development of feminist thinking and activism in Ireland

*The Book to Come* Maurice Blanchot,Charlotte Mandell,2003 Featuring essays originally published in *La Nouvelle Revue Fran aise* this collection clearly demonstrates why Maurice Blanchot was a key figure in exploring the relation between literature and philosophy     Decompositions Eric Basso,2006 Literary Criticism Art Criticism **DECOMPOSITIONS** collects Eric Basso's essay on art and literature in one volume In the pivotal essay *Annihilation* Basso takes a short story by a forgotten Hungarian writer as the springboard to a searing dissection of Rembrandt alchemy Stephane Mallarme Edgar Allan Poe and Rene Daumal closing with a new interpretation of Kafka's *The Castle* Eric Basso remains one of the most interesting writers in the country someone whose work does not fit conveniently into categories but whose poetry fiction and dramatic writing extend our sense of what terms like modernism and postmodernism mean Stephen Paul Martin     **Faux Pas** Maurice Blanchot,Charlotte Mandell,2001 Published in France in 1943 *Faux Pas* is the first collection of essays on literature and language by Maurice Blanchot the most lucid and powerful French critic of the second half of the 20th century

**Discourse** ,2011     A Radical Political Theology for the Anthropocene Era Ryan LaMothe,2021-11-18 Given the fierce urgency of now this important book confronts and addresses key problems and questions of political theology with the aim of proposing a radical political theology for the Anthropocene Age LaMothe invites readers to think and be otherwise in living lives in common with all other human beings and other than human beings that dwell on this one earth     New Trinitarian Ontologies, Volume I John Milbank,Ryan Haecker,JD Lyonhart,2025-11-11 The Holy Trinity is the oldest idea of Christian hope The study of being or ontology was once regarded as a seminal preparation for the study of God as the creative cause of all being in theology Yet due to a series of theological mistakes metaphysics came to be separated from the Trinity before God came to be conceived as the supreme being of all beings in general metaphysics natural theology and modern ontology The analytic and continental philosophical traditions have since tended to treat the Trinity as at best superfluous and at worst redundant to modern formal ontologies Yet the postmodern collapse of all such formal ontologies has prepared the path for a renewed study of metaphysics or ontology that shares in participation with the Trinity *New Trinitarian Ontologies* names a creative response to this pivotal collapse of modern formal ontologies If ontology cannot contain but rather more radically points to God and if all nature thus tends towards the supernatural the angelic and the metaphysical then we should renew the study of the metaphysics or ontology of the Trinity This volume represents a collection of responses to this challenge of rendering ontology in a Trinitarian style     **Whitaker's Books in Print** ,1998     **Dice-throws and Becoming-literature** Nozomi Irei,2006     *The Journal of Philosophy* ,1995 Covers topics in philosophy psychology and
