[Influencers and Creators](#) Robert V. Kozinets, Ulrike Gretzel, Rossella Gambetti, 2023-04-15. Influencers and content creators have profoundly impacted business and culture. This textbook combines cutting-edge conceptual and critical thinking on the subject with practical advice to go above and beyond what existing social media marketing textbooks offer. Using examples from around the world, it examines the influencer phenomenon from a variety of perspectives and also explains why influencers are becoming indispensable to governments, platforms, and brands. Key topics explored are the influencer phenomenon as a form of persuasion, as a structural change in media, as a culture shift, as a challenge to equality regulations impacting the phenomenon, ethical implications. With useful features, readers will gain a 360-degree view of one of the world's most important new media phenomena. *Milstead's Health Policy and Politics: A Nurse's Guide* Nancy M. Short, 2025-10-21. US health policy changes rapidly as legislation and case law change. However, the policy process does not. Milstead's Health Policy and Politics: A Nurse's Guide, Eighth Edition, focuses on the policymaking process and the impact it has on nursing and healthcare. It is an excellent resource for nursing students as it encompasses the entire health policy process from agenda setting through policy and program evaluation. The author and interprofessional team of contributors interpret past events to help readers develop the knowledge, skills, and abilities necessary to influence health policy in the US. The updated Eighth Edition features a new chapter on community engagement and education in regard to the policy process, along with new Spotlights and Case Studies throughout. It also includes new sections on current topics including types of media and the role of AI in media, EHR as an important source of big data, research as a driver of agendas, the foundations for evidence-based policymaking, the Act of 2018, and more. With Milstead's Health Policy and Politics: A Nurse's Guide, Eighth Edition, students will understand the policymaking process and have the confidence knowing they can play a role in shaping US health policy. Presents a targeted focus on the policy process and where nurses can begin to effect policy changes. Provides concrete examples of real-life situations that help students understand the link between nursing policy theory and political action. Features case studies and discussion points in every chapter to explain the policy process in plain language. Every new copy is packaged with Navigate Premier Access, featuring the complete eBook, interactive lectures, slides in PowerPoint format, case studies, and discussion questions. Instructor resources include an instructor's manual, syllabus, competency mapping, answer keys to the case studies and discussion questions, test bank, and slides in PowerPoint format. *Health Policy Finance* 2026, 350 pages. [The Routledge Companion to Gender, Media and Violence](#) Karen Boyle, Susan Berridge, 2023-08-25. With the heated discussion around MeToo, journalistic reporting on domestic abuse, and the popularity of true crime documentaries, gendered media discourse around violence and harassment has never been more prominent. The Routledge Companion to Gender, Media and Violence is an outstanding reference source to the key topics, problems, and

debates in this important subject and is the first collection on media and violence to take a gendered intersectional approach. Comprising over 50 chapters by a team of interdisciplinary and international contributors, the book is structured around the following parts: News; Representing reality; Gender based violence online; Feminist responses. The media examples examined range from Australia to Zimbabwe and span print and online news, documentary film and television, podcasts, pornography, memoir, comedy, memes, influencer videos and digital feminist protest. Types of violence considered include domestic abuse, honour based violence, sexual violence and harassment, female genital mutilation, cutting, child sexual abuse, transphobic violence and the aftermath of conflict. Good practice is considered in relation to both responsible news reporting and pedagogy. The Routledge Companion to Gender Media and Violence is essential reading for students and researchers in Gender Studies, Media Studies, Sociology and Criminology. Chapter 30 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial CC BY NC 4.0 license.
