White Chalk P K Tyler:

White Chalk Pavarti K Tyler, 2013-07-07 Evolved Publishing presents an intimate glance inside teenage angst and confusion and one talented but troubled girl's attempt to make sense of life in the coming of age tale *White Chalk* by award winning author Pavarti K Tyler Literary New Adult Women's Fiction Chelle isn't what most people consider a typical 13 year old girl she doesn't laugh with friends play sports or hang out at the mall after school Instead she navigates a world well beyond her years Life in Dawson ND spins on as she grasps at people pleading for someone to save her to return her to the simple childhood of unicorns on her bedroom wall and stories on her father's knee When Troy Christiansen walks into her life Chelle is desperate to believe his arrival will be her salvation So much so she forgets to save herself After experiencing a tragedy at school her world begins to crack causing a deeper scar in her already fragile psyche Follow Chelle's twisted tale of modern adolescence as she travels down the rabbit hole into a reality none of us wants to admit actually exists **The St. Pancras directory, including Hampstead and Highgate** St. Pancras directory, 1864 **Woodall's Trailing Parks and Campgrounds**, 1972 *White Chalk* P. K. Tyler, 2015-12-14 Praised as a modern and edgier *Lolita* meets *The Catcher in the Rye* award winning *White Chalk* is the eye opening realistic look into the minds and actions of adolescents Far from sugar coated and rose colored this novel captures the raw dark side of growing up Evolved Publishing presents an intimate glance inside teenage angst and confusion and one troubled girl's attempt to make sense of life Hardened awkward and self deprecating Chelle Whitney wouldn't know a fairytale if it swooped down and saved her from a burning tower She has spent her life hurting from the choices she's made the scars she's created and the bruises that identify her She's one of the unlucky ones whose life is made up of demons that haunt her adolescence and threaten her adulthood Chelle grasps desperately at whoever can rescue her from herself and her pain Reaching for comfort from her best friend who's outgrown her and gripping naively to a teacher who takes entirely too much interest in her she longs for someone who understands her So when Troy Christiansen walks into her life Chelle believes he could be the white knight who will finally save her Her salvation But can Chelle find salvation on her own terms digging herself out of the Hell her life has created Or will she forever be a victim of her circumstances never breaking free of the restraints that define her EDITORIAL REVIEW There is nothing improbable about *White Chalk* a story of a teenager whose family was down on its luck before the recession hit and whose ability to pay attention to their daughter is as meager as their finances Chelle smarter prettier quicker witted and more engaging than she has a clue is alone in a world stacked against her Her solution is to change herself to find love or at least diminish her loneliness as she says I reflected back the light shining on me empty but for the image of another We root for Chelle in spite of her bad choices and bad luck rapidly turning pages so eager for her to solve her problems Pavarti K Tyler has taken a brave position this gripping novel breaks every rule and escapes customary boundaries It is genre less and difficult to pigeonhole Is it a coming of age story Young adult New spin on crazy teenage romance Psychological horror

Cautionary tale No label other than literary fiction exactly fits Yet Tyler's eye for what happens to many of our teenagers and the psychological burdens of growing up too fast too ignored too alone too poor are spot on and insightful Ann Pearlman Pulitzer Prize Nominee and Author of *The Christmas Cookie Club* EDITORIAL REVIEW Tyler combines shades of *Lolita* and *Catcher in the Rye* in a completely new way drawing you in with poignant characterizations White Chalk goes deep into teenage angst with understanding and clarity Savor share and use this poignant book as a primer on the brutal effects of abuse neglect and self esteem Rachel Thompson Award Winning Author of *Broken Pieces* *The International Cyclopedia* Harry Thurston Peck, 1892 *The International Cyclopaedia*, 1892 **Garden & Home Builder** William Tyler Miller, 1908
