The Water Prescription For Health Vitality And Rejuvenation:

The Water Prescription Christopher Vasey, 2006-03-20 A guide to how water can prevent and treat disease as well as rejuvenate the body and mind Shows the role water deficiency plays in a large number of diseases and other health disorders Explains how to determine the quality and quantity of water that is best for you and the time during the day it is best to drink Includes 10 water cures for profound physical rehydration toxin removal and remineralization Drinking sufficient quantities of water is a necessity for optimal physical functioning but it can also play a major role in the prevention and treatment of many diseases Chronic fatigue depression eczema rheumatism gastric disorders high or low blood pressure high cholesterol obesity and urinary infections are but a few of the many disorders that can result from not drinking enough water and which can be treated by raising our intake of this vital liquid The physical assaults that our bodies endure from pollution stress overly rich and processed foods often containing too much salt and alcohol and tobacco have dramatically increased our daily need for water over what our ancestors required Christopher Vasey explains not only why water is so essential to our health but also what quantities we should drink and when He also discusses the qualities of different types of water and demonstrates which will best address certain conditions In addition he provides 10 water cures that will rehydrate the deepest levels of the body remove toxins and restore vital minerals *The Spiritual Life of Water* Alick

Bartholomew, 2010-11-18 Water's wisdom on renewal communication and holism How water as a conscious organism unites all of creation in one vast communication network Includes the research of Masaru Emoto and Viktor Schauberger Discusses the energetics of water water treatments finding the best quality water and the perils of bottled and distilled water Once held sacred the world over water contains a wisdom few today acknowledge Driving everything from our metabolic processes to weather patterns and climate change its real significance lies in its role as a medium for metamorphosis recycling and exchanging energy and information Seeking a return to our ancestors reverence for water Alick Bartholomew explores water's sacred uses its role in our bodies and environment and the latest scientific studies to reveal that water is a conscious organism that is self creating and self organizing Examining new discoveries in quantum biology he shows how water binds all of life into one vast network of energy allowing instant communication and coherence Covering the research of water visionaries such as Viktor Schauberger Mae Wan Ho and Masaru Emoto he examines the memory of water and reveals how the same water has been cycling through Earth's history since the dawn of time making water nature's greatest recycling and reclaiming agent With information on the energetics of water water treatments finding the best quality water and the perils of bottled and distilled water this book offers us a path to reclaim the spirituality of water [The Healing Power of Fever](#) Christopher Vasey, 2011-11-28 A guide to the healing and detoxifying effects of fever Explains how to best support the body during the 3 different stages of fever through the use of hydrotherapy medicinal herbs and diet Provides guidelines to know when a fever is too high or has gone on too long Shows how to create an artificial fever to detoxify the body Contrary to

popular belief a fever is not a symptom to be treated but a sign of a healthy functioning immune system naturally working to heal the body The rise in body temperature is caused by the intensification of efforts by the body's defenses as they fight microbes and purify the internal terrain Lowering a fever through the use of drugs counters the body's ability to fight illness infection or poisoning and can greatly lengthen recovery time In *The Healing Power of Fever* naturopath Christopher Vasey explains the natural process of a fever how to properly measure it and how to best support the body during the 3 different stages of fever through the use of hydrotherapy medicinal herbs and diet Providing guidelines on the dangers of fever he details how to know when a fever is too high or has gone on too long and what to do to bring it down and aid the body's recovery He also explains how to create an artificial fever as a means of detoxification and rejuvenation Helping us understand what a fever really is and how it can benefit the body Vasey asks us to stop considering fever as an enemy to be conquered and start seeing it as the healing ally that it truly is

The Spiritual Mysteries of Blood Christopher Vasey, 2015-04-17 Reveals how our blood acts as the bridge between body and spirit Explains how our blood's natural radiation connects our bodies to our spirits and serves as a means of communication between the two Reveals how highly processed diets vitamin and mineral deficiencies heavy metal poisoning medications drugs and alcohol negatively affect blood radiation and lead to physical emotional and spiritual imbalances Provides advice on the ideal diet for each individual whether omnivore vegetarian or allergy prone to optimize blood radiation Blood does far more than transport oxygen and nutrients remove metabolic wastes and convey hormonal messages from one cell to another Providing medical examples to show how the body actively works to maintain our blood even becoming seriously ill to save it Christopher Vasey N D explains how blood's primary function is to form the bridge between the body and the human spirit Vasey reveals how the blood like everything in our world radiates The blood's radiation is what connects body to spirit and serves as a means of communication between the two Any deficiencies in the blood's composition directly affect our spirit's ability to stay connected to our physical body Every change in the blood induces changes in our state of being and influences our psychic state Many mental conditions such as loss of drive unexplained sadness and irritability can be treated by restoring balance to the blood In fact the four basic temperaments sanguine melancholic choleric and phlegmatic are intimately connected with our blood composition hence the truth behind describing someone as hot blooded or cold blooded The author explains how highly processed foods vitamin deficiencies heavy metal poisoning and medications can negatively affect blood radiation and lead to physical emotional and spiritual imbalances Revealing the spiritual purpose of eating he explores how to improve blood radiation and composition with dietary changes focusing on food that is organically produced and additive free to avoid introducing any toxins or artificial ingredients into the bloodstream Vasey offers advice to find the ideal diet for each individual whether omnivore vegetarian or allergy prone He shows that by optimizing our blood composition we improve our connection to spirit and provide a sound base for our soul to further its development

The Detox Mono Diet Christopher

Vasey,2006-08-07 An introduction to the healing effects of fasting using just one type of food Includes Johanna Brandt s grape cure with the author s advice and commentary Explains why mono diets are so effective at cleansing and restoring the internal cellular environment Shows how to interpret your body s signals to adapt the diet to your unique needs The grape cure the lemon cure the maple syrup cure and the apple diet are all variations of mono diets that are based on restricting food intake to one food for a period of time Using the famous grape cure pioneered by Johanna Brandt as his model reproduced here in its entirety Christopher Vasey demonstrates why these restricted diets are all remarkably effective in healing illness and restoring optimum health Despite their different nutritive approaches and resulting healing benefits all these diets work the same way They help the body burn the waste products it contains to cleanse the internal cellular environment They also keep the body s eliminatory organs open in order to prevent the buildup of toxins While these cures are responsible for healing people of many serious illnesses including cancer their principal use lies in the way they naturally eliminate waste products and prevent the body from absorbing toxins during the process The Detox Mono Diet is a practical guide that provides all the information necessary for following a detoxification regimen To make the application most successful the author explains how to interpret your body s reactions in a way that will allow you to adapt the cure to match your specific physiological needs making your return to optimum health a unique journey Teaching Is More Than
